DEPARTMENT OF VETERANS AFFAIRS

[OMB Control No. 2900-0697]

Agency Information Collection Activity: Approval of Licensing or Certification Test and Organization or Entity

AGENCY: Veterans Benefits Administration, Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: The Veterans Benefits Administration (VBA), Department of Veterans Affairs (VA), is announcing an opportunity for public comment on the proposed collection of certain information by the agency. Under the Paperwork Reduction Act (PRA) of 1995, Federal agencies are required to publish notice in the **Federal Register** concerning each proposed collection of information, including each proposed reinstatement of a currently approved collection, and allow 60 days for public comment in response to the notice.

SAAs and VA will use the information to decide whether the licensing and certification tests, and the organizations offering them, should be approved for use under the education programs VA administers. VA did not develop an official form for this information collection since section 3689 of title 38, United States Code permitted VA to delegate the approval functions to the State Approving Agencies; and from the inception of this information collection, VA has given the State Approving Agencies the authority to approve licensing and certification tests and organizations. Consequently, the State Approving Agencies have developed their own forms to gather information they will need per their respective state laws to decide whether the licensing and certification tests and the organizations offering them should be approved. In the case of an organization seeking approval directly from VA, any information VA receives concerning the request for approval is forwarded directly to the appropriate State Approving Agency. Since SAAs

have approval authority, education institutions and licensing and certification organizations supply information to the SAAs for approval in a manner specified by the SAA.

DATES: Written comments and recommendations on the proposed collection of information should be received on or before MAY 16, 2017.
