

(2) Had an application for change of status, adjustment of status, asylum, voluntary departure, or any relief from removal or change of status pending or subject to further review or appeal;

(3) Was a parolee or had a pending request for re-parole; or

(4) Is the spouse or child of an alien currently eligible to be a TPS registrant.

An applicant for late initial registration must file an application for late registration no later than 60 days after the expiration or termination of the conditions described above. 8 CFR 244.2(g). All late initial registration applications for TPS pursuant to the TPS extension of El Salvador should be submitted to the USCIS Chicago Lockbox.

What happens when this extension of TPS expires on September 9, 2006?

At least 60 days before this extension of TPS designation for El Salvador expires on September 9, 2006, the Secretary of DHS, after consultation with appropriate agencies of the Government, will review conditions in El Salvador and determine whether the conditions for TPS designation continue to be met at that time, or whether the TPS designation should be terminated. 8 U.S.C. 1254a(b)(3). Notice of that determination, including the basis for the determination, will be published in the **Federal Register**.

Notice of Extension of Designation of TPS for El Salvador

By the authority vested in DHS under sections 244(b)(1)(B), (b)(3)(A), and (b)(3)(C) of the Act, DHS has determined, after consultation with the appropriate Government agencies, that the conditions that prompted designation of El Salvador for TPS continue to be met. Accordingly, DHS orders as follows:

(1) The designation of El Salvador under section 244(b)(1)(B) of the Act is extended for an additional 18-month period from March 9, 2005, to September 9, 2006. 8 U.S.C. 1254a(b)(3)(C).

(2) There are approximately 248,282 nationals of El Salvador (or aliens having no nationality who last habitually resided in El Salvador) who have been granted TPS and who are eligible for re-registration.

(3) To maintain TPS, a national of El Salvador (or an alien having no nationality who last habitually resided in El Salvador) who was granted TPS during the initial designation period (or through late initial registration) and who re-registered during the subsequent extensions of this designation, must re-register for TPS during the 60-day re-

registration period from January 7, 2005, until March 8, 2005.

(4) To re-register, the alien must file the following: (1) Form I-821, Application for Temporary Protected Status, without fee; (2) Form I-765, Application for Employment Authorization; and (3) a biometric services fee of seventy dollars (\$70) if the alien is age 14 or older, or if the alien is under age 14 and requesting an employment authorization document. Applications submitted without the required fees will be returned to the applicant. If the alien requests an EAD, he or she must submit one hundred and seventy-five dollars (\$175) or a properly documented fee waiver request, pursuant to 8 CFR 244.20, with the Form I-765. An alien who does not request employment authorization must still file Form I-765 along with Form I-821, but he or she is not required to submit the fee or a fee waiver request for filing Form I-765. Failure to re-register without good cause will result in the withdrawal of TPS. 8 U.S.C. 1254a(c)(3)(C). Aliens who have previously registered for TPS but whose applications remain pending should follow these instructions to renew temporary treatment benefits. Some persons who had not previously applied for TPS may be eligible for late initial registration under 8 CFR 244.2.

(5) At least 60 days before this extension ends on September 9, 2006, the Secretary of DHS, after consultation with appropriate agencies of the Government, will review the designation of El Salvador for TPS and determine whether the conditions for designation continue to be met. 8 U.S.C. 1254a(b)(3)(A). Notice of that determination, including the basis for the determination, will be published in the **Federal Register**. *Id.*

(6) Information concerning the extension of designation of El Salvador for TPS will be available at local USCIS offices upon publication of this notice and on the USCIS Web site at <http://uscis.gov>.
