

applicants pass an examination testing their knowledge of the relevant provisions of the Act and the most recent developments in Agency and court decisions affecting titles II and XVI of the Act. With the assistance of contractor personnel, we will develop a 40- to 50-question, multiple choice examination. Examination details are as follows:

- A score of 70 will be a passing score;
- The examination instrument will be written in the English language only;
- We anticipate that the examination will be administered by the contractor and will be given only once, on a weekday, in association with each application period;
- During the examination, test-takers will have open-book access to certain reference materials that we will supply (see below for details);
- The examination will be based upon situations that arise from the subject areas contained in the reference materials; and
- Applicants will not be permitted to remove the examination instrument from the examination center.

Open-book reference materials: We will provide each test-taker with a copy of 20 CFR Ch. III (most recent edition), and the Compilation of the Social Security Laws, Volume 1 (most recent edition). We may provide additional materials; if so, we will provide details about the materials on the contractor's Web site. Applicants will not be permitted to bring any other items (including reference materials) to the examination center.

An applicant who fails to achieve a passing score may re-apply to participate in the demonstration project during a subsequent application period.
