

Commission released the *First Order on Reconsideration and Fourth Order on Reconsideration*, CC Docket Nos. 94–129 and 00–257, FCC 04–153 (*Reconsideration Order*), which the Commission modified rule 64.1120(e)(3)(iii). As noted, when subscribers are switched between carriers as a result of negotiated sale or transfer or the exiting carrier's bankruptcy, we believe the acquiring carrier should generally be responsible for carrier change charges associated with a negotiated sale or transfer. However, while we maintain this general rule rather than adopting either SBC's or Verizon's proposed modifications, we do adopt one minor modification to the rule for particular, limited circumstances. Specifically, when an acquiring carrier acquires customers by default "other than through bankruptcy" and state law would require the exiting carrier to pay these costs, we will require the exiting carrier to pay such costs to meet our streamlined slamming rules. The change in the rule does not impose any new or modified information collection requirements. The modification to rule 47 CFR 64.1120(e)(3)(iii) does not affect the existing annual hourly and cost changes.

*OMB Control No.:* 3060–0854.

*OMB Approval date:* 11/30/2004.

*Expiration Date:* 11/30/2007.

*Title:* Truth-in-Billing Format, CC Docket No. 98–170.

*Form No.:* N/A.

*Estimated Annual Burden:* 10,788 responses; 1,565,755 total annual burden hours; 5–465 hours per respondent.

*Needs and Uses:* The Commission adopted rules to make consumers' telephone bills easier to read and understand. Telephone bills do not provide necessary information in a user-friendly format. As a result, consumers are experiencing difficulty in understanding their bills, in detecting fraud, in resolving billing disputes, and in comparing carrier rates to get the best values for themselves. Consumers use this information to help them understand their telephone bills. Consumers need this information to protect them against fraud and to help resolve billing disputes if they wish.
