FOR FURTHER INFORMATION CONTACT: Susan Lehman or Richard Rimlinger, AD/CVD Operations, Office 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0180 and (202) 482-4477, respectively.

SUPPLEMENTARY INFORMATION:

Background

At the request of interested parties, the Department of Commerce (the Department) initiated administrative reviews of the antidumping duty orders on antifriction bearings and parts thereof from France, Germany, Italy, Japan, Singapore, and the United Kingdom for the period May 1, 2003, through April 30, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 39409 (June 30, 2004). The preliminary results of reviews are currently due no later than January 31, 2005.

Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Reviews

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to make a preliminary determination within 245 days after the last day of the anniversary month of an order for which a review is requested and a final determination within 120 days after the date on which the preliminary determination is published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary determination to a maximum of 365 days after the last day of the anniversary month.

We determine that it is not practicable to complete the preliminary results of these reviews within the original time

limit because additional time is needed to analyze the questionnaire responses and supplemental questionnaire responses submitted by the respondents, to analyze comments on model-match methodology submitted by interested parties, and to conduct verifications of the respondents. Therefore, we are extending the time period for issuing the preliminary results of these reviews by 60 days, until April 1, 2005.

This notice is published in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2).

Dated: January 14, 2005.

Gary Taverman,

Acting Deputy Assistant Secretary for Import Administration.
