BILLING CODE 5001-06-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board

AGENCY: Department of Defense.

ACTION: Notice of Advisory Committee Meeting.

SUMMARY: The Defense Science Board Task Force on Management Oversight of Acquisition Organizations will meet in open session on January 31-February 1, 2005, at SAIC, 4001 N. Fairfax Drive, Arlington, VA. This Task Force should assess whether all major acquisition organizations within the Department have adequate management and oversight processes, including what changes might be necessary to implement such processes where needed.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force will examine the oversight function with respect to Title 10 and military department regulations to ensure that proper checks and balances exist. The Task Force will review whether simplification of the acquisition structure could improve both efficiency and oversight.

FOR FURTHER INFORMATION CONTACT: LTC Scott Dolgoff, USA, Defense Science Board, 3140 Defense Pentagon, Room 3D865, Washington, DC 20301-3140, via e-mail at scott.dolgoff@osd.mil, or via phone at (703) 695-4158.

SUPPLEMENTARY INFORMATION: Members of the public who wish to attend the meeting must contract LTC Dolgoff no later than January 24, 2005, for further information about admission as seating is limited. Additionally, those who wish to make oral comments or deliver written comments should also request to be scheduled, and submit a written text of the comments by January 26, 2005, to allow time for distribution to Task Force members prior to the meeting. Individual oral comments will be limited to five minutes, with the total oral comment period not exceeding 30 minutes.

Dated: January 18, 2005.

Jeanette Owings-Ballard,

*OSD Federal Register Liaison Officer,
Department of Defense.*

BILLING CODE 5001-06-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Defense Science Board

AGENCY: Department of Defense.

ACTION: Notice of Advisory Committee Meeting.

SUMMARY: The Defense Science Board Task Force on 2005 Summer Study on Reducing Vulnerabilities to Weapons of Mass Destruction will meet in closed session on January 31-February 1, 2005; March 8-9, 2005; April 4-5, 2005; May 3-4, 2005; June 1-2, 2005; and June 28-29, 2005, at Strategic Analysis Inc., 3601 Wilson Boulevard, Arlington, VA. This Task Force will review a State's clandestine employment of weapons of massed destruction (WMD) or the use of such capability by a terrorist.

The mission of the Defense Science Board is to advise the Secretary of Defense and the Under Secretary of Defense for Acquisition, Technology & Logistics on scientific and technical matters as they affect the perceived needs of the Department of Defense. At these meetings, the Defense Science Board Task Force should develop national enterprise architecture to reduce vulnerabilities to WMD. The architecture should identify those areas where integration across modalities would pay off, as well as the issues that are uniquely tied to a single defense which may arise from new intelligence or other sources and adapt to different generations of WMD defense systems which will probably be procured under a spiral development model. An integrated WMD system would be able

to assess from end-to-end the state of affairs in WMD.

In accordance with Section 10(d) of the Federal Advisory Committee Act, Public Law 92-463, as amended (5 U.S.C. app. 2), it has been determined that these Defense Science Board Task Force meetings concern matters listed in 5 U.S.C. 552b(c)(1) and that, accordingly, these meetings will be closed to the public.

Dated: January 18, 2005.

BILLING CODE 5001-06-M

DEPARTMENT OF EDUCATION

Smaller Learning Communities Program

AGENCY: Office of Vocational and Adult Education, Department of Education.

ACTION: Notice of proposed priorities, requirements, definitions, and selection criteria.

SUMMARY: The Assistant Secretary for Vocational and Adult Education proposes priorities, requirements, definitions, and selection criteria for a special competition under the Smaller Learning Communities (SLC) program. The Assistant Secretary may use these priorities, requirements, definitions and selection criteria for a special competition using a portion of fiscal year (FY) 2004 funds and also in future years. The priorities, requirements, definitions and selection criteria proposed in this notice will not be used for all FY SLC 2004 competitions. Projects funded using these priorities, requirements, definitions, and selection criteria would create and/or expand SLC activities as well as participate in a national research evaluation of supplemental reading programs. Another SLC competition will be conducted later this year, awarding additional FY 2004 funds, for projects that do not require participation in the national research evaluation. Requirements, priorities, definitions, and selection criteria for that competition will be proposed in a notice in the **Federal Register** at a later date.

We propose these priorities, requirements, definitions, and selection criteria to focus federal financial assistance on an identified national need for scientifically based data on supplemental reading programs for adolescents.
