SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

I. Funding Opportunity Description

Purpose of Program: The Developing HSI Program assists HSIs to expand educational opportunities for, and improve the academic attainment of, Hispanic students. The Developing HSI Program also enables HSIs to expand and enhance their academic offerings, program quality, and institutional stability.

Priorities: This competition includes two competitive preference priorities taken from the statute for this program. These priorities are as follows:

In accordance with 34 CFR 75.105(b)(2)(iv), the following priorities are from sections 511(d) and 514(b) of the HEA.

Section 511(d) of the HEA provides that we must give priority to applications for development grants that contain satisfactory evidence that the HSI has entered into, or will enter into, a collaborative arrangement with at least one local educational agency or community-based organization to provide that agency or organization with assistance (from funds other than funds provided under Title V of the HEA) in reducing dropout rates for Hispanic students, improving rates of academic achievement for Hispanic students, and increasing the rates at which Hispanic secondary school graduates enroll in higher education.

Competitive Preference Priority 2:
