### SUPPLEMENTARY INFORMATION:

#### Background

The PCPFS was established by the  
President of the United States and  
operates under Executive Order No.  
13265, continued by Executive Order  
13316. The Secretary, through the Office  
of the PCPFS, receives  
recommendations from the Council and  
is developing and coordinating a  
national program to enhance physical  
activity/fitness and sports programs.  
Section (1)(b) of Executive Order (EO)  
13265 provides that the Secretary will  
"enhance coordination of programs  
within and among the private and  
public sectors that promote  
participation in, and safe and easy  
access to, physical activity and sports."  
In addition, the Secretary is directed by  
section (1)(c) of the EO 13265 to  
"expand availability of quality  
information and guidance regarding  
physical activity and sports  
participation." Through the authority of  
section 1704 of the Public Health  
Service Act, the Office of PCPFS may  
support and "encourage others to  
support" activities related to physical  
activity/fitness, sports and health  
information and promotion, including  
the publication of information and  
securing the cooperation of  
communication media.
