

number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of the filing also will be available for inspection and copying at the principal office of the Phlx. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-Phlx-2004-96 and should be submitted on or before February 28, 2005.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁹

Jill M. Peterson,

Assistant Secretary.

SMALL BUSINESS ADMINISTRATION

[License No. 09/79-0432]

Telesoft Partners II SBIC, L.P.; Notice Seeking Exemption Under Section 312 of the Small Business Investment Act, Conflicts of Interest

Notice is hereby given that Telesoft Partners II SBIC, L.P., 1450 Fashion Island Blvd., Suite 610, San Mateo, CA 94404, a Federal Licensee under the Small Business Investment Act of 1958, as amended ("the Act"), in connection with the financing of a small concern, has sought an exemption under section 312 of the Act and section 107.730, Financings which Constitute Conflicts of Interest of the Small Business Administration ("SBA") Rules and Regulations (13 CFR 107.730). Telesoft Partners II SBIC, L.P. proposes to provide equity/debt security financing

to Aarohi Communications, Inc. The financing is contemplated for working capital and general corporate purposes.

The financing is brought within the purview of § 107.730(a)(1) of the Regulations because Telesoft Partners II QP, L.P., Telesoft Partners II, L.P. and Telesoft NP Employee Fund, LLC, all Associates of Telesoft Partners II SBIC, L.P., own more than ten percent of Aarohi Communications, Inc.

Notice is hereby given that any interested person may submit written comments on the transaction to the Associate Administrator for Investment, U.S. Small Business Administration, 409 Third Street, SW., Washington, DC 20416.

Dated: January 6, 2005.

Jaime Guzman-Fournier,

Acting Associate Administrator for Investment.

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Noise Exposure Map Notice for Scottsdale Airport, Scottsdale, CA

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation Administration (FAA) announces its determination that the noise exposure maps submitted by City of Scottsdale for Scottsdale Airport under the provisions of 49 U.S.C. 47501 *et seq* (Aviation Safety and Noise Abatement Act) and 14 CFR part 150 are in compliance with applicable requirements.

EFFECTIVE DATE: The effective date of the FAA's determination of the noise exposure maps is January 21, 2005.

FOR FURTHER INFORMATION CONTACT: Michelle Simmons, Federal Aviation Administration, Western Pacific Region Headquarters, P.O. Box 92007, Los Angeles, California 9009, Telephone 310/725-3614.

SUPPLEMENTARY INFORMATION: This notice announces that the FAA finds that the noise exposure maps submitted for Scottsdale Airport are in compliance with applicable requirements of part 150, effective January 21, 2005. Under 49 U.S.C. section 47503 of the Aviation Safety and Noise Abatement Act (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict non-compatible land uses as of the date

of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport. An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) part 150, promulgated pursuant to the Act may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes to take to reduce existing non-compatible uses and prevent the introduction of additional non-compatible uses.

The FAA has completed its review of the noise exposure maps and accompanying documentation submitted by City of Scottsdale, Arizona. The documentation that constitutes the "Noise Exposure Maps" as defined in section 150.7 of part 150 includes: Exhibit 1 "Existing Conditions (2004) Noise Exposure Map," and Exhibit 2 "Five-Year Forecast (2009) Noise Exposure Map." The Noise Exposure Maps contain current and forecast information including the depiction of the airport and its boundaries, the runway configurations, land uses such as residential, open space, commercial/office, community facilities, libraries, churches, open space, infrastructure, vacant and warehouse and those areas within the Yearly Day-Night Average Sound Level (DNL) 65, 70 and 75 noise contours. Estimates for the number of people within these contours for the year 2004 are shown in Table 4A. Estimates of the future residential population within the 2009 noise contours are shown in Table 4A. Estimates of the future residential population within the 2009 noise contours are shown in Table 4D. Exhibit 3L displays the location of noise monitoring sites. Flight tracks for the existing and the five-year forecast Noise Exposure Maps are found in Exhibits 3D, 3E, 3F and 3G. The type and frequency of aircraft operations (including nighttime operations) are found in Tables 3A and 3B. The FAA has determined that these noise exposure maps and accompanying documentation are in compliance with applicable requirements. This determination is effective on January 21, 2005.

FAA's determination on an airport operator's noise exposure maps is limited to a finding that the maps were

¹⁹ 17 CFR 200.30-3(a)(12).

developed in accordance with the procedures contained in Appendix A of FAR part 150. Such determination does not constitute approval of the applicant's data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program. If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 47503 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 47506 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under part 150 or through FAA's review of noise exposure maps. Therefore, the responsibility for the detailing overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator that submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 47503 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of FAR part 150, that the statutorily required consultation has been accomplished.

Copies of the full noise exposure map documentation and of the FAA's evaluation of the maps are available for examination at the following locations:

Federal Aviation Administration, Community and Environmental Needs Division, APP-600, 800 Independence Avenue, SW., Washington, DC 20591.

Federal Aviation Administration, Western-Pacific Region, Airports Division, Room 3012, 15000 Aviation Boulevard, Hawthorne, California 90261.

Scott Gray, Aviation Director, City of Scottsdale, Aviation Department, 15000 N. Airport Drive Suite 200, Scottsdale, Arizona 85260.

Questions may be directed to the individual named above under the heading **FOR FURTHER INFORMATION CONTACT**.

Issued in Hawthorne, California, on January 21, 2005.

Mark A. McClardy,

Manager, Airports Division, AWP-600, Western-Pacific Region.

Notice of Intent To Rule on Application 05-07-00-ABE To Impose and Use the Revenue From a Passenger Facility Charge (PFC) at Lehigh Valley International Airport, Allentown, PA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of intent to rule on application.

SUMMARY: The FAA proposes to rule and invites public comment on the application to impose and use the revenue from a PFC at Lehigh Valley International Airport under the provisions of the 49 U.S.C. 40117 and part 158 of the Federal Aviation Regulations (14 CFR part 158).

DATES: Comments must be received on or before March 9, 2005.

ADDRESSES: Comments on this application may be mailed or delivered in triplicate to the FAA at the following address: Ms. Lori Ledebohm, Community Planner/PFC Contact, Harrisburg Airports District Office, 3905 Hartzdale Drive, Suite 508, Camp Hill, PA 17011.

In addition, one copy of any comments submitted to the FAA must be mailed or delivered to Mr. Lawrence J. Krauter of the Lehigh-Northampton Airport Authority at the following address: 3311 Airport Road, Allentown, PA 18109-3040.

Air carriers and foreign air carriers may submit copies of written comments previously provided to the Lehigh-Northampton Airport Authority under section 158.23 of Part 158.

FOR FURTHER INFORMATION CONTACT: Lori Ledebohm, Community Planner/PFC contact, Harrisburg Airports District Office, 3905 Hartzdale Drive, Suite 508, Camp Hill, PA 17011, 717-730-2835. The application may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA proposed to rule and invites public comment on the application to impose and use the revenue from a PFC at Lehigh Valley International Airport under the provisions of the 49 U.S.C. 40117 and part 158 of the Federal Aviation Regulations (14 CFR part 158).

On January 28, 2005, the FAA determined that the application to impose and use the revenue from a PFC submitted by Lehigh-Northampton Airport Authority was substantially complete within the requirements of section 158.25 of part 158. The FAA will approve or disapprove the application, in whole or in part, no later than May 6, 2005.

The following is a brief overview of the application.

Proposed charge effective date: June 1, 2005.

Proposed charge expiration date: August 1, 2005.

Level of the proposed PFC: \$4.50.

Total estimated PFC revenue: \$27,940,236.

Brief description of proposed project(s): Main Terminal Renovations & Additions Class or classes of air carriers which the public agency has requested not be required to collect PFCs: Air Taxi/Commercial Operators (ATCO).

Any person may inspect the application in person at the FAA office listed above under **FOR FURTHER INFORMATION CONTACT** and at the FAA regional Airports office located at: Eastern Region, Airports Division, AEA-610, 1 Aviation Plaza, Jamaica, New York 11434.

In addition, any person may, upon request, inspect the application, notice and other documents germane to the application in person at the Lehigh-Northampton Airport Authority.

Issued in Camp Hill, Pennsylvania, on January 28, 2005.

Wayne T. Heibek,

Manager, Harado Eastern Region.
