

from bidding on a particular market if the Bureau finds that a bidder is abusing the Commission's bid withdrawal procedures.

34. Applying this reasoning, the Bureau proposes to limit each bidder in Auction No. 60 to withdrawing provisionally winning bids in no more than one round during the course of the auction. To permit a bidder to withdraw bids in more than one round may encourage insincere bidding or the use of withdrawals for anti-competitive purposes. The round in which withdrawals may be used will be at the bidder's discretion; withdrawals otherwise must be in accordance with the Commission's rules. There is no limit on the number of provisionally winning bids that may be withdrawn in the round in which withdrawals are used. Withdrawals will remain subject to the bid withdrawal payment provisions specified in the Commission's rules. The Bureau seeks comment on this proposal.

F. Stopping Rule

35. The Bureau has discretion "to establish stopping rules before or during multiple round auctions in order to terminate the auction within a reasonable time." For Auction No. 60, the Bureau proposes to employ a simultaneous stopping rule approach. A simultaneous stopping rule means that all licenses remain available for bidding until bidding closes simultaneously on all licenses.

36. Bidding will close simultaneously on all licenses after the first round in which no bidder submits any new bids, applies a proactive waiver, or places any withdrawals. Thus, unless circumstances dictate otherwise, bidding will remain open on all licenses until bidding stops on every license.

37. However, the Bureau proposes to retain the discretion to exercise any of the following options during Auction No. 60:

i. Use a modified version of the simultaneous stopping rule. The modified stopping rule would close the auction for all licenses after the first round in which no bidder applies a waiver, places a withdrawal or submits any new bids on any license for which it is not the provisionally winning bidder. Thus, absent any other bidding activity, a bidder placing a new bid on a license for which it is the provisionally winning bidder would not keep the auction open under this modified stopping rule. The Bureau further seeks comment on whether this modified stopping rule should be used at any time or only in stage two of the auction.

ii. Keep the auction open even if no bidder submits any new bids, applies a waiver or places any withdrawals. In this event, the effect will be the same as if a bidder had applied a waiver. The activity rule, therefore, will apply as usual and a bidder with insufficient activity will either lose bidding eligibility or use a remaining activity rule waiver.

iii. Declare that the auction will end after a specified number of additional rounds ("special stopping rule"). If the Bureau invokes this special stopping rule, it will accept bids in the specified final round(s) and the auction will close.

38. The Bureau proposes to exercise these options only in certain circumstances, for example, where the auction is proceeding very slowly, there is minimal overall bidding activity, or it appears likely that the auction will not close within a reasonable period of time. Before exercising these options, the Bureau is likely to attempt to increase the pace of the auction by, for example, increasing the number of bidding rounds per day, and/or increasing the amount of the minimum bid increments for the limited number of licenses where there is still a high level of bidding activity. The Bureau seeks comment on these proposals.

IV. Conclusion

39. Comments are due on or before February 11, 2005, and reply comments are due on or before February 18, 2005. Because of the disruption of regular mail and other deliveries in Washington, DC, the Bureau requires that all comments and reply comments be filed electronically. Comments and reply comments, and copies of material filed with the Commission pertaining to Auction No. 60, must be sent by electronic mail to the following address: auction60@fcc.gov. The electronic mail containing the comments or reply comments must include a subject or caption referring to Auction No. 60 Comments and the name of the commenting party. The Bureau requests that parties format any attachments to electronic mail as Adobe® Acrobat® (pdf) or Microsoft® Word documents. Copies of comments and reply comments will be available for public inspection during regular business hours in the FCC Reference Information Center, Room CY-B402, 445 12 Street, SW., Washington, DC 20554, and will also be posted on the Web page for Auction No. 60 at <http://wireless.fcc.gov/auctions>.

40. This proceeding has been designated as a "permit-but-disclose" proceeding in accordance with the

Commission's *ex parte* rules. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented is generally required. Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in § 1.1206(b) of the Commission's rules.
