SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51124; File No. SR-ODD-2004-03]

Canadian Derivatives Clearing Corporation; Order Approving Accelerated Distribution of an Amended Options Disclosure Document

February 2, 2005.

On January 28, 2005, the Canadian Derivatives Clearing Corporation ("CDCC"),¹ on behalf of the Bourse de Montréal, Inc. ("Bourse de Montréal"), submitted to the Securities and Exchange Commission ("Commission"), pursuant to Rule 9b-1 under the Securities Exchange Act of 1934 ("Act"),² five definitive copies of an amended options disclosure document ("ODD") that describes the risks and characteristics of options traded on the Bourse de Montréal.³ The CDCC has

¹ The CDCC formerly was known as Trans Canada Options, Inc. ("TCO"). The name of the corporation was changed in January 1996.

² 17 CFR 240.9b-1.

³ The Commission initially reviewed the ODD in 1984. See Securities Exchange Act Release No. 21365 (October 2, 1984), 49 FR 39400 (October 5, 1984) (File No. ODD-84-1). Since then, the Commission has reviewed several amendments to the ODD. See, e.g., Securities Exchange Act Release Nos. 44333 (May 21, 2001), 66 FR 29193 (May 29, 2001) (File No. SR-ODD-00-04) (amending the ODD to reflect, among other things, changes to the structure of the Canadian equity markets and to provide a discussion of Enhanced Capital Marketing); 37569 (August 14, 1996), 61 FR 43281 (August 21, 1996) (File No. SR-ODD-96-01) (amending the ODD to reflect, among other things, the name change from TCO to CDCC); 29033 (April 1, 1991), 56 FR 14407 (April 9, 1991) (File No. SR-ODD-91-1) (amending the ODD to include, among other things, references to Toronto Stock Exchange 35 Composite Index options); 24480 (May 19, 1987), 52 FR 20179 (May 29, 1987) (File No. SR-ODD-87-

revised the ODD to, among other things, reflect the CDCC's new automatic exercise parameters for equity and bond options, to add an Annex to the ODD setting forth the holidays and early closings of the Bourse de Montréal, to update the discussion of Canadian federal income tax considerations applicable to non-residents, and to indicate that the S&P/TSE 60 Index is now named the S&P/TSX 60 Index.

Rule 9b-1 under the Act provides that an options market must file five preliminary copies of an amended ODD with the Commission at least 30 days prior to the date when definitive copies of the amended ODD are furnished to customers, unless the Commission determines otherwise, having due regard to the adequacy of the information disclosed and the public interest and protection of investors.⁴

The Commission has reviewed the amended ODD and finds, having due regard to the adequacy of the information disclosed, that it is consistent with the protection of investors and in the public interest to allow the distribution of the amended ODD as of the date of this order.⁵

It is therefore ordered, pursuant to Rule 9b-1 under the Act,⁶ that the distribution of the revised ODD (SR-ODD-2004-03) as of the date of this order, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁷

Margaret H. McFarland,

Deputy Secretary.

[FR Doc. E5-511 Filed 2-7-05; 8:45 am]

BILLING CODE 8010-01-P

2) (amending the ODD to include, among other things, a discussion of Government of Canada Treasury Bill Price Index options; and 22349 (August 21, 1985), 50 FR 34956 (August 28, 1985) (File No. SR-ODD-85-1) (amending the ODD to include, among other things, a discussion of the risks and uses of stock index and bond options).

⁴ This provision is intended to permit the Commission either to accelerate or extend the time period in which definitive copies of a disclosure document may be distributed to the public.

⁵ Rule 9b-1 under the Act provides that the use of an ODD shall not be permitted unless the options class to which the documents relates is the subject of an effective registration statement on Form S-20 under the Securities Act of 1933. On April 19, 2004, the Commission, pursuant to delegated authority, declared effective the CDCC's most recent Post-Effective Amendment to its Form S-20 registration statement. See File No. 2-69458.

⁷ 17 CFR 200.30-3(a)(39)(i).

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51119; File No. SR-Amex-2004-72]

Self-Regulatory Organizations; Order Approving Proposed Rule Change and Amendment No. 1 Thereto by the American Stock Exchange LLC to Amend Its Minor Rule Violation Plan

February 1, 2005.

On August 23, 2004, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to amend Exchange Rule 590, its Minor Rule Violation Fine Plan ("Plan"). On November 23, 2004, Amex filed Amendment No. 1 to the proposed rule change. The proposed rule change, as amended, was published for comment in the **Federal Register** on December 22, 2004.³ The Commission received no comments regarding the proposal.

The Exchange proposed to make the following actions subject to its Plan:

- Failure to comply with trade reporting requirements for options (Amex Rule 992);
- Violation of Exchange rules regarding the deactivation of quote assist as it pertains to options (Amex Rules 950(g), Commentary .01 and 950-ANTE(g), Commentary .01);
- Violation of Exchange rules regarding the Options Linkage Program relating to the responding to, and receiving of, Linkage Orders (Amex Rule 941(d) and (e)), Avoidance and Satisfaction of Trade-Throughs (Amex Rule 942(a)), and Locked Markets (Amex Rule 943);
- Violation of Exchange policy regarding affirmative determination of the availability for borrowing of shares of Amex-listed issues prior to effecting short sale transactions (Circular 90-25); and
- Effecting or causing to be effected a transaction outside of business hours through the Intermarket Trading System (Amex Rules 1, 100, and 233).

The Exchange also proposed to amend the Plan as follows:

- Expand the requirement of reporting trade comparison data (Part 2(d)(3) of Amex Rule 590) to include all transactions effected on the Exchange and to relocate such rule to Part 1(g) of

Amex Rule 590 so as to subject it to Amex Enforcement Department action rather than Amex Floor Official action; and

- Revise Part 3 of Amex Rule 590 to reflect the current filing schedule for the Form 50 (Short Position), which is now also required to be filed at or about the end of the month for selected derivative products.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ In particular, the Commission believes that the proposal is consistent with Section 6(b)(5) of the Act⁵ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, to remove impediments and to perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission also believes that the proposal is consistent with Sections 6(b)(1)⁶ and 6(b)(6)⁷ of the Act which require that the rules of an exchange enforce compliance and provide appropriate discipline for violations of Commission and Exchange rules. In addition, because Amex Rule 590 provides procedural rights to a person fined under the Plan to contest the fine and permit a hearing on the matter, the Exchange believes the proposal provides a fair procedure for the disciplining of members and persons associated with members, consistent with Sections 6(b)(7)⁸ and 6(d)(1)⁹ of the Act.

Finally, the Commission finds that the proposal is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act, as required by Rule 19d-1(c)(2) under the Act¹⁰ which governs minor rule violation plans. The Commission believes that these changes to Amex's Plan will strengthen its ability to carry out its oversight and enforcement responsibilities as a self-regulatory organization in cases where full disciplinary proceedings are unsuitable in view of the minor nature of the particular violation.

In approving this proposed rule change, the Commission in no way

⁴ In approving this proposed rule change, the Commission notes that it has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).
