SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 17a-4; SEC File No. 270-198; OMB Control No. 3235-0279.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously

approved collection of information discussed below.

Rule 17a-4 requires approximately 6,900 active, registered exchange members, brokers and dealers ("broker-dealers") to preserve for prescribed periods of time certain records required to be made by Rule 17a-3 and other Commission rules, and other kinds of records which firms make or receive in the ordinary course of business. Rule 17a-4 also permits broker-dealers to employ, under certain conditions, electronic storage media to maintain these required records. The records required to be maintained under Rule 17a-4 are used by examiners and other representatives of the Commission to determine whether broker-dealers are in compliance with, and to enforce their compliance with, the Commission's rules.

The staff estimates that the average number of hours necessary for each broker-dealer to comply with Rule 17a-4 is 254 hours annually. Thus, the total burden for broker-dealers is 1,752,600 hours annually. The staff believes that compliance personnel would be charged with ensuring compliance with Commission regulation, including Rule 17a-4. The staff estimates that the hourly salary of a compliance manager is \$50 per hour.¹ Based upon these numbers, the total cost of compliance for 6,900 respondents is approximately \$87.63 million (1,752,600 yearly hours x \$50). The total burden hour decrease of 128,661 results from the decrease in the number of respondents from 7,217 to 6,900.

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission Office of Filings and Information Services, Washington, DC 20549.

Extensions: Schedule TO OMB Control No. 3235-0515; SEC File No. 270-456.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Schedule TO must be filed by a reporting company that makes a tender offer for its own securities. Also, persons other than the reporting company making a tender offer for equity securities registered under Section 12 of the Exchange Act (which offer, if consummated, would cause that person to own over 5% of that class of the securities) must file Schedule TO. The purpose of Schedule TO is to improve communications between public companies and investors before companies file registration statements involving tender offer statements. This information is made available to the public. Information provided on Schedule TO is mandatory. Approximately 2,500 issuers annually file Schedule TO and it takes 43.5 hours to prepare for a total of 108,750 annual burden hours. It is estimated that 50% of the 108,750 total burden hours (54,375 burden hours) is prepared by the company.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to David_Rostker@omb.eop.gov; and (ii) R.
