Notice Pursuant to the National Cooperative Research and Production Act of 1993—North American Laminate Flooring Association

Notice is hereby given that, on January 7, 2005, pursuant to section 6(a) of the National Cooperative Research and Production Act of 1993, 15 U.S.C. 4301 *et seq.* ("the Act"), North American Laminate Flooring Association ("NALFA") has filed written notifications simultaneously with the Attorney General and the Federal Trade Commission disclosing (1) The name and principal place of business of the standards development organization and (2) the nature and scope of its standards development activities. The notifications were filed for the purpose of invoking the Act's provisions limiting the recovery of antitrust plaintiffs to actual damages under specified circumstances.

Pursuant to section 6(b) of the Act, the name and principal place of business of the standards development organization is: North American Laminate Flooring Association, Washington, DC. The nature and scope of NALFA's standards development activities are: to provide minimum performance requirements for residential and commercial use laminate flooring using standard test methods. Such performance requirements include but are not limited to, static load, thickness, swell, impact resistance, light resistance, cleanability/stain resistance, wear resistance, dimensional tolerances and castor chair resistance. The requirement of this standard applies to laminate flooring upon manufacturer's completion and proper storage until first placed into service.
