**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** February 14, 2005.

**FOR FURTHER INFORMATION CONTACT:** Yasmin Bordas or Cole Kyle, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-3813 or (202) 482-1503, respectively.

**SUPPLEMENTARY INFORMATION:****Statutory Time Limits**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("Department") to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

**Background**

On August 30, 2004, the Department published a notice of initiation of administrative review of the antidumping duty order on individual quick frozen red raspberries from Chile, covering the period July 1, 2003, through June 30, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, (69 FR 52857). The preliminary results for this review are currently due no later than April 4, 2005.

**Extension of Time Limits for Preliminary Results**

We are currently analyzing sales information provided by the respondents in this review. Because the Department requires additional time to review, analyze, and possibly verify the sales information and to issue supplemental questionnaires, if necessary, it is not practicable to

complete this review within the originally anticipated time limit (*i.e.*, by April 4, 2005). Therefore, the Department is extending the time limit for completion of the preliminary results to not later than July 29, 2005, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 8, 2005.

**SUPPLEMENTARY INFORMATION:****Background**

This review covers ThyssenKrupp Acciai Speciali Terni S.p.A. and its U.S. affiliate, ThyssenKrupp AST USA, Inc.

(TKAST USA) (collectively, TKAST or respondent).

In response to our *Preliminary Results*, on September 8, 2004, we received case briefs from TKAST and Allegheny Ludlum, AK Steel Corporation, Butler Armco Independent Union, J&L Specialty Steel, Inc., North American Stainless, United Steelworkers of America, AFL-CIO/CLC, and Zanesville Armco Independent Organization (collectively, petitioners). Both parties submitted rebuttal briefs on September 15, 2004. However, on September 22, 2004, the Department rejected and returned TKAST's September 15, 2004, rebuttal brief as it contained untimely new factual information. Pursuant to the Department's request, TKAST filed a revised version of its rebuttal brief on September 24, 2004. Parties did not request a public hearing.

On November 26, 2004, the Department extended fully the time limit, from December 7, 2004, until no later than February 7, 2005, for the final results of the instant administrative review. See *Stainless Steel Sheet and Strip in Coils from Italy: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review*, 69 FR 70124 (December 2, 2004).
