SUPPLEMENTARY INFORMATION:

A. Background

DFARS Transformation is a major DoD initiative to dramatically change the purpose and content of the DFARS. The objective is to improve the efficiency and effectiveness of the acquisition process, while allowing the acquisition workforce the flexibility to innovate. The transformed DFARS will contain only requirements of law, DoD-wide policies, delegations of FAR authorities, deviations from FAR requirements, and policies/procedures that have a significant effect beyond the internal operating procedures of DoD or a significant cost or administrative impact on contractors or offerors. Additional information on the DFARS Transformation initiative is available at <http://www.acq.osd.mil/dpap/dfars/transf.htm>.

This proposed rule is a result of the DFARS Transformation initiative. The proposed changes—

- Revise DFARS Subpart 237.70 to delete procedures for defining the geographic area to be covered by mortuary services contracts, and procedures for distribution of those contracts. These procedures will be relocated to the new DFARS companion resource, Procedures, Guidance, and Information, available at <http://www.acq.osd.mil/dpap/dars/pgi>.

- Delete the clause at DFARS 252.237-7010 containing facility requirements for mortuary services, as these requirements are adequately addressed in State law.

- Revise DFARS Subpart 237.71 to delete unnecessary requirements

relating to contracting for laundry and dry cleaning services.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule makes no significant change to contracting policy. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2003-D041.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
