SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51285; File No. SR-Amex-2005-005]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Procedures for Handling ITS Commitments in the Auto-Ex System

March 1, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 18, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange

Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Amex. The Exchange filed the proposal pursuant to Section 19(b)(3)(A) of the Act,³ and Rule 19b-4(f)(1) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Amex proposes to add a commentary to Rule 128A to clarify its Auto-Ex procedures for Portfolio Depository Receipts, Index Fund Shares, Trust Issued Receipts and National Market System Securities. The text of the proposed rule change is set forth below. Proposed new language is in *italics*.

.01 An Intermarket Trading System ("ITS") commitment shall be handled in the same manner as an order from the trading crowd in accordance with subsection (d)(i) of this Rule 128A, and, as a result, no contract for the execution of an ITS commitment shall be created, until the specialist begins to enter the acceptance of such ITS commitment into the order book.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to clarify the treatment of ITS commitments with respect to the Auto-Ex system. The new Commentary provides for consistent treatment of all orders that are not Auto-Ex Eligible Orders. On June 25, 2004, the Commission approved amendments to Amex Rule 128A,⁵ which provides in paragraph (d)(i) that an order received from the "open outcry" auction market will not be deemed accepted until the specialist begins to enter the member's acceptance into the order book. The purpose of paragraph (d)(i) is to provide a mechanism for avoiding double liability on the part of the specialist when the specialist has matched an order in the crowd against the Amex published quote ("APQ") and an Auto-Ex Order executes against that quote before the specialist can begin to enter the previously accepted crowd order into the order book. Similarly, proposed Commentary .01 to Amex Rule 128A avoids double liability where an Auto-Ex Order takes an order on the book that establishes the APQ before the specialist begins to enter the acceptance of such ITS commitment into the order book. Pursuant to paragraph (j)(x) of Amex Rule 128A auto-execution will be unavailable during the period of time the specialist is in the process of executing the commitment.

The result of the Commentary would be to treat ITS commitments in the same manner as other on-floor orders. The Commentary will not otherwise change the rules of priority, parity and precedence and on-floor orders received after ITS commitments at the same price will yield priority to the ITS commitment.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁶ in general and furthers the objectives of Section 6(b)(5) of the Act⁷ in particular in that it is designed to prevent fraudulent and manipulative acts and practices and to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to and

facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest; and is designed to prohibit unfair discrimination between customers, issuers, brokers and dealers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and subparagraph (f)(1) of Rule 19b-4 thereunder⁹ because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Self-Regulatory Organizations; Notice of Filing of Proposed Rule Change by the American Stock Exchange LLC to Require Members to Complete Systems Training

March 2, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 1, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with

the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Amex seeks to adopt new Amex Rule 51 to require its members to complete training in such systems as the Exchange may require and to amend its Minor Rule Violation Plan ("Plan") to allow the Exchange to issue minor fines for non-compliance with this newly proposed rule. The text of the proposed rule change is available on Amex's Web site (<http://www.amex.com>), at Amex's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to adopt new Amex Rule 51 to require member firms, members, and employees of member firms or members who presently spend a substantial part of their time on the floor of the Exchange to complete training in such systems as the Exchange may require, unless such training is waived by the Exchange. The Exchange also proposes to amend Part 1(g) of the Plan to allow for the prompt resolution of the failure to comply with newly proposed Amex Rule 51 through the issuance of minor fines.³

³ Established in 1976, the Plan provides a simplified procedure for the resolution of minor rule violations. Codified in Amex Rule 590, the Plan has three distinct sections: Part 1 ("General Rule Violations") which covers more substantive matters that, nonetheless, are deemed "minor" by Amex; Part 2 ("Floor Decorum") which covers Floor
