**Liquor Regulation and Licensing Ordinance
No. 04-04***Article I: Declaration of Public Policy and Purpose*

Section 1.1 The introduction, possession and sale of liquor on the lands of the lands of the Bear River Band of Rohnerville Rancheria ("Tribe") is a matter of special concern to the Tribe.

Section 1.2 Federal law, *see, e.g.*, 18 U.S.C. 1154, 1161, currently prohibits the introduction of liquor into Indian country, except as provided therein and in accordance with State law as interpreted by the Supreme Court in *Rice v. Rehner*, 463 U.S. 713 (1983), and expressly delegates to the Tribe the decision regarding when and to what extent liquor transactions shall be permitted on lands subject to the Tribe's jurisdiction.

Section 1.3 The Tribal Council of the Bear River Band of Rohnerville Rancheria ("Tribal Council") has the power under Article VIII of the Tribe's Constitution to enact ordinances to safeguard and provide for the health, safety and welfare of the members of the Tribe and persons within the Tribe's jurisdiction, and has determined that it is in the Tribe's best interests to enact a tribal ordinance governing the introduction, possession and sale of liquor on the lands subject to the Tribe's jurisdiction, and which limits the purchase, distribution, and/or sale of liquor within the exterior boundaries of the Tribe's trust lands only to premises licensed and regulated by the Tribe.

Section 1.4 The Tribe hereby prohibits the sale or other commercial distribution of liquor on the Tribe's trust lands, except at premises owned and operated by or under supervision of the Tribe and expressly licensed to sell or commercially distribute liquor. This prohibition against the sale or other commercial distribution of liquor shall not apply to the personal use, possession or consumption of liquor in private homes located on tribal trust lands.

Section 1.5 The Tribe finds that violations of this Ordinance would damage the Tribe in the amount of five hundred dollars (\$500) per violation, based upon the estimated costs of enforcement, investigation, adjudication and disposition of such violations, and that to defray the costs of enforcing this Ordinance the Tribal Council may, in its discretion, impose a tax on the sale of liquor on the Tribe's trust lands. Based upon the foregoing findings and determinations, the Tribe hereby ordains as follows:

Section 3.2 Limitation on Powers. In the exercise of its powers and duties under this Ordinance, the Tribal Council and its individual members and staff shall not:

Section 4.1 License Required. No sales of alcoholic beverages shall be made on or within the exterior boundaries of the Tribe's trust lands as defined in this Ordinance, except at a business duly licensed by the Tribal Council.

Section 4.2 Sales for Cash. All liquor sales on the Tribe's trust lands shall be on a cash only basis, and no credit shall be extended to any person, organization or entity in connection with any such sales, except that this provision does not prevent the payment for purchases with the use of cashiers' or personal checks, money orders, payroll checks, or debit cards or credit cards issued by any federally-or state-regulated financial institution.

Section 4.3 Sales for Personal Consumption. Except as may be specifically licensed by the Tribal Council, all retail sales of liquor shall be for the personal use and consumption of the purchaser or members of the purchaser's household, including guests, who are over the age of twenty-one (21). Resale of any alcoholic beverage purchased within the exterior boundaries of tribal trust lands is prohibited. Any person who is not licensed pursuant to this Ordinance who purchases an alcoholic beverage within the boundaries of tribal trust lands and re-sells it, whether in the original container or not, shall be guilty of a violation of this Ordinance and shall be subjected to exclusion from tribal trust lands or liability for money damages of up to five hundred dollars (\$500), or both, as determined by the Tribal Council after giving the alleged violator due notice and an opportunity to be heard concerning the fact of the alleged violation and the appropriateness of any penalty.

Article V: Licensing

Section 5.1 Procedure. In order to control the proliferation of establishments on tribal trust lands that sell or provide liquor by the

bottle or by the drink, all persons or entities that desire to sell liquor within the exterior boundaries of tribal trust lands or on other Tribal Land must apply to the Tribal Council for a license to sell or provide liquor; provided, however, that no license is necessary to provide liquor for non-commercial purposes within a private single-family residence on tribal trust lands for which no money is requested or paid.

Section 5.2 State Licensing. No person shall be allowed or permitted to sell or provide liquor on tribal trust lands if s/he does not also have a license from the State of California to sell or provide such liquor. If such license from the State is revoked or suspended, the Tribal license shall automatically be revoked or suspended as well.

Section 5.3 Application. Any person applying for a license to sell or provide liquor on tribal trust lands shall complete and submit an application provided for this purpose by the Tribal Council, and pay such application fee as may be set from time to time by the Tribal Council for this purpose. Incomplete applications will not be considered.

Section 5.4 Issuance of License. The Tribal Council may issue a license if it believes that the issuance of such license would be in the best interest of the Tribe, the residents of tribal trust lands and the surrounding community. Licensure is a privilege, not a right, and the decision to issue any license rests in the sole discretion of the Tribal Council.

Section 5.5 Duration of License. Each license may be issued for a period not to exceed two (2) years from the date of issuance.

Section 5.6 Renewal of License. A licensee may renew its license if it has complied in full with this Ordinance and has maintained its licensure with the State of California; however, the Tribal Council may refuse to renew a license if it finds that doing so would not be in the best interests of the health and safety of the members of the Tribe.

Section 5.7 Suspension or Revocation of License. The Tribal Council may suspend or revoke a license for reasonable cause upon notice and hearing at which the licensee shall be given an opportunity to respond to any charges against it and to demonstrate why the license should not be suspended or revoked. The licensee shall have the burden of going forward and proving by a preponderance of the evidence that the Tribal Council should not suspend or revoke the license.

Section 5.8 Transferability of Licenses. Licenses issued by the Tribal Council shall not be transferable and may only be utilized by the persons or entities in whose name issued.

Article VI: Taxes

Section 6.1 Sales Tax. There is hereby levied and shall be collected a tax on each retail sale of alcoholic beverages on tribal trust lands in the amount of one percent (1%) of the retail sales price. The tax imposed by this section shall apply to all retail sales of liquor on tribal trust lands, and to the extent

permitted by law shall preempt any tax imposed on such liquor sales by the State of California.

Section 6.2 Payment of Taxes to the Tribe. All taxes from the sale of alcoholic beverages to tribal trust lands shall be paid over to the General Treasury of the Tribe and be subject to the distribution by the Tribal Council in accordance with its usual appropriation procedures for essential governmental and social services, including operation of the Tribal Council and administration of this Ordinance.

Section 6.3 Taxes Due. All taxes upon the sale of alcoholic beverages on tribal trust lands are due on the first day of the month following the end of the calendar quarter for which the taxes are due. Past due taxes shall accrue interest at 1.5% per month, or eighteen percent (18%) per annum.

Section 6.4 Reports. Along with payment of the taxes imposed herein, the taxpayer shall submit an accounting for the quarter of all income from the sale or distribution of said beverages as well as for the taxes collected.

Section 6.5 Audit. As a condition of obtaining a license, the licensee must agree to the review or audit of its books and records relating to the sale of alcoholic beverages on tribal trust lands. Said review or audit may be done periodically by the Tribal Council through its agents or employees whenever in the discretion of the Tribal Council such a review is necessary to verify the accuracy of reports.

Article VII: Rules, Regulations and Enforcement

Section 7.1 In any proceeding under this title, proof by a preponderance of the evidence of one unlawful sale or distribution of liquor shall suffice to establish prima facie intent or purpose of unlawfully keeping liquor for sale, selling liquor or distributing liquor in violation of this title.

Section 7.2 Any person who shall sell or offer for sale or distribute or transport in any manner any liquor in violation of this Ordinance, or who shall operate or shall have liquor in his/her possession without a license required by this Ordinance, shall be guilty of a violation of this Ordinance and subject to civil damages assessed by the Tribal Council. Nothing in this Ordinance shall apply to the possession or transportation of any quantity of liquor by members of the Tribe for their personal or other non-commercial use, and the non-commercial possession, transportation, sale, consumption or other disposition of liquor in locations on tribal trust lands other than "public places" as defined herein shall be governed solely by the laws of the State of California.

Section 7.3 Any person within the boundaries of tribal trust lands who, in a public place, buys liquor from any person or entity other than at a properly-licensed facility and in accordance with this Ordinance shall be guilty of a violation of this Ordinance.

Section 7.4 Any person who sells liquor to a person apparently under the influence of liquor shall be guilty of a violation of this Ordinance.

Section 7.5 No person under the age of twenty-one (21) years shall consume, acquire

or have in his/her possession any alcoholic beverages. Any person violating this Section in a public place shall be guilty of a separate violation of this Ordinance for each and every drink or container of alcoholic beverages so consumed, acquired or possessed.

Section 7.6 Any person who, in a public place, shall sell or provide any liquor to any person under the age of twenty-one (21) years shall be guilty of a violation of this Ordinance for each such sale or drink provided.

Section 7.7 Any person guilty of a violation of this Ordinance shall be liable to pay the Tribe up to five hundred dollars (\$500) per violation as civil damages to defray the Tribe's cost of enforcement of this Ordinance. The amount of such damages in each case shall be determined by the Tribal Council based upon a preponderance of the evidence available to the Tribal Council after the person alleged to have violated this Ordinance has been given due notice and an opportunity to respond to such allegations.

Section 7.8 Whenever it reasonably appears to a licensed purveyor of liquor that a person seeking to purchase liquor is under the age of twenty-seven (27) years, the prospective purchaser shall be required to present any one of the following officially-issued cards of identification which shows his/her correct age and bears his/her signature and photograph:

If any conditions of the bond should be violated, the whole amount may be recovered for the use of the Tribe.

Section 8.3 In all cases where any person has been found responsible for a violation of this Ordinance relating to manufacture, importation, transportation, possession, distribution and sale of liquor, an action may be brought in a court of competent jurisdiction to abate as a public nuisance the use of any real estate or other property involved in the violation of this Ordinance, and proof of violation of this Ordinance shall be *prima facie* evidence that the room, house, building, vehicle, structure, or place against which such action is brought, is a public nuisance. Unless a tribal court has been established or designated by contract at the time any such action is to be filed, the Tribal Council shall sit as the tribal court for the purpose of ordering the abatement of such nuisance.

Article X: Severability and Effective Date

Section 10.3 Any and all prior enactments of the Tribe that are inconsistent with the provisions of this Ordinance are hereby rescinded and repealed.
