United States Standards for Grades of Snap Beans

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice.

SUMMARY: The Agricultural Marketing Service (AMS), prior to undertaking research and other work associated with revising official grade standards, is soliciting comments on the possible revisions to the United States Standards for Grades of Snap Beans. At a 2003 meeting with the Fruit and Vegetable Industry Advisory Committee, AMS was asked to review all the fresh fruit and vegetable grade standards for usefulness in serving the industry. As a result, AMS has identified that the standard may need to be modified to allow percentages to be determined by count and not weight. Additionally, AMS is seeking comments regarding any other revisions that may be necessary to better serve the industry.

DATES: Comments must be received by May 10, 2005.

ADDRESSES: Interested persons are invited to submit written comments to the Standardization Section, Fresh Products Branch, Fruit and Vegetable Programs, Agricultural Marketing Service, U.S. Department of Agriculture, 1400 Independence Ave. SW., Room 1661 South Building, Stop 0240, Washington, DC 20250–0240; Fax (202) 720–8871, E-mail FPB.DocketClerk@usda.gov. Comments should make reference to the dates and page number of this issue of the **Federal**

Register and will be made available for public inspection in the above office during regular business hours. The United States Standards for Grades of Snap Beans is available either through the address cited above or by accessing the Fresh Products Branch Web site at <http://www.ams.usda.gov/standards/stanfrfv.htm>.

SUPPLEMENTARY INFORMATION: Section 203(c) of the Agricultural Marketing Act of 1946 (7 U.S.C. 1621–1627), as amended, directs and authorizes the Secretary of Agriculture “to develop and improve standards of quality, condition, quantity, grade and packaging and recommend and demonstrate such standards in order to encourage uniformity and consistency in commercial practices * * *.” AMS is committed to carrying out this authority in a manner that facilitates the marketing of agricultural commodities and makes copies of official standards available upon request. The United States Standards for Grades of Fruits and Vegetables not connected with Federal Marketing Orders or U.S. Import Requirements, no longer appear in the Code of Federal Regulations, but are maintained by USDA/AMS/Fruit and Vegetable Programs.

AMS is proposing to revise the voluntary United States Standards for Grades of Snap Beans using procedures that appear in Part 36 Title 7 of the Code of Federal Regulations (7 CFR Part 36). These standards were last revised in 1990.

Background

At a 2003 meeting with the Fruit and Vegetable Industry Advisory Committee, AMS was asked to review all the fresh fruit and vegetable grade standards for usefulness in serving the industry. AMS has identified the United States Standards for Grades of Snap Beans for a possible revision. As a result, AMS has identified that the standard may need to be modified to allow percentages to be determined by count and not weight. However, prior to undertaking detailed work to develop proposed revisions to the standards, AMS is soliciting comments on the possible revision to the standards and the probable impact on distributors, processors, and growers. Additionally, AMS is seeking comments regarding any other revisions that may be necessary to better serve the industry.

This notice provides for a 60-day comment period for interested parties to

comment on changes to the standards. Should AMS conclude that there is a need for the revisions of the standards, the proposed revisions will be published in the **Federal Register** with a request for comments in accordance with 7 CFR Part 36.

Authority: 7 U.S.C. 1621–1627.

Dated: March 7, 2005.

Kenneth C. Clayton,

Acting Administrator.
