March 4, 2005.

Trimont Wind I LLC (Trimont) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for wholesale sales of energy, capacity and ancillary services at market-based rates. Trimont also requested waiver of various Commission regulations. In particular, Trimont requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by Trimont.

On March 3, 2005, the Commission granted the request for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Trimont should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Panel Member List for Hydropower Licensing Study Dispute Resolution; Notice Requesting Applications for Panel Member List for Hydropower Licensing Study Dispute Resolution

March 4, 2005.

On March 12, 2004, and July 8, 2004, the Commission requested applications from persons who wish to be included on a list of resource experts willing to serve as a third panel member in the study dispute resolution process of the Commission's hydropower integrated licensing process (ILP). We are now reopening the application period indefinitely. Respondents to the initial requests need not reapply to be considered.

Background

The Commission's ILP encourages informal resolution of study disagreements. In cases where this is not successful, a formal study dispute resolution process is available for state and federal agencies or Indian tribes with mandatory conditioning authority.¹

The ILP provides that the disputed study must be submitted to a dispute resolution panel consisting of a person from Commission staff, a person from the agency or Indian tribe referring the dispute to the Commission, and a third person selected by the other two panelists from a pre-established list of persons with expertise in the disputed resource area.² The third panel member (TPM) will serve without compensation, except for certain allowable travel

¹ See § 5.14 of the final rule, which may be viewed on the Commission's Web site at <http://www.ferc.gov/industries/hydropower/indus-act/ilp.asp>, and see excerpted attachment describing the formal dispute resolution process."

² These persons must not be otherwise involved with the proceeding.
