Control No. 3235-0500.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request a revision of revision to the existing collection of information discussed below.

Rule 11Aa3-2 provides that self-regulatory organizations (SROs) may, acting jointly, file a National Market System Plan ("NMS Plan") or may propose an amendment to an effective NMS Plan by submitting the text of the plan or amendment to the Secretary of the Commission, together with a statement of the purpose of such plan or amendment and, to the extent applicable, the documents and information required by paragraphs (b)(4) and (5) of Rule 11Aa3-2. A recently-adopted amendment to Rule 11Aa3-2 will require all participants in NMS Plans to arrange for posting on a designated Web site a current and complete version of the NMS Plans and amendments to such NMS Plans.

The collection of information is designed to permit the Commission to achieve its statutory directive to facilitate the development of a national market system. The information is used to determine if a NMS Plan, or an amendment thereto, should be approved and implemented.

Ten respondents file an average total of twelve responses per year, which corresponds to an estimated annual response burden of 553 hours.

Compliance with Rule 11Aa3-2 is required to obtain or retain the benefits provided to those SROs who, acting jointly, shall sponsor a NMS Plan. Information received in response to Rule 11Aa3-2 shall not be kept confidential; the information collected is public information.

Form D and Regulation D, OMB Control No. 3235-0076, SEC File No. 270-72.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Regulation D sets forth rules governing the limited offer and sale of securities without Securities Act registration. Those relying on Regulation D must file Form D. The purpose of the Form D notice is to collect empirical data, which provides a continuing basis for action by the Commission either in terms of amending existing rules and regulations or proposing new ones. In addition, the form allows the Commission to elicit information necessary to assess the effectiveness of Regulation D and Section 4(6) as capital-raising devices. Form D information is required to obtain or retain benefits under Regulation D. Approximately 17,500 issuers file Form D. We estimate that it takes 4 hours to prepare Form D for a total burden of 70,000 hours. We estimate that 25% of the total burden hours (17,500 reporting burden hours) is prepared by the company.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or send an e-mail to *David_Rostker@omb.eop.gov*; and (ii) R.
