

Standard Paragraph

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant and all parties to this proceeding.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.

Linda Mitry,

Deputy Secretary.

AGENCY: Environmental Protection Agency.

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA) announces the second public teleconference of the Water Security Working Group (WSWG) of the National Drinking Water Advisory Council (NDWAC), which was established under the Safe Drinking Water Act. The purpose of this teleconference call is to provide an opportunity for the WSWG members to continue deliberations on their draft report and recommendations on features of active and effective security programs for the water sector (drinking water and wastewater utilities), including incentives to encourage broad adoption of active and effective security programs and measures to track the performance of water security programs. The teleconference will be open to the public by advance registration; an opportunity for public comment will be provided during that time. WSWG findings and recommendations will be provided to the NDWAC for their consideration. The WSWG anticipates providing findings and recommendations to the NDWAC in spring 2005. The WSWG has met in-person four times and had one previous public teleconference. One additional in-person meeting of the WSWG and one additional public teleconference are planned and will be announced in the near future.

DATES: The second WSWG teleconference will take place from 1:30 p.m. to 3:30 p.m., eastern standard time, on Thursday, April 7, 2005.

ADDRESSES: The teleconference will be held in the EPA East Building, which is located at 1201 Constitution Avenue, NW., Washington, DC 20004.

SUPPLEMENTARY INFORMATION:

Background

The WSWG charge is to: (1) Identify, compile, and characterize best security practices and policies for drinking water and wastewater utilities and provide an approach for considering and adopting these practices and policies at a utility level; (2) consider mechanisms to provide recognition and incentives that facilitate a broad and receptive response among the water sector to implement these best security practices and policies and make recommendations as appropriate; and (3) consider mechanisms to measure the extent of implementation of these best security practices and policies, identify the impediments to their implementation, and make recommendations as appropriate. The Group is comprised of sixteen members from water and wastewater utilities, public health, academia, state regulators, and environmental and community interests. It is supported by technical experts from the Environmental Protection Agency, the Department of Homeland Security, the Centers for Disease Control and Prevention, and the Department of Defense.
