#### Synopsis of the Order

1. By a Public Notice dated January 25, 2005, the Media Bureau began an inquiry on the impact of specific provisions of the Communications Act of 1934, as amended, and Commission rules on competition in the multichannel video programming distribution (MVPD) market. (70 FR 6593, February 8, 2005.) The Commission is required to submit a report to Congress on the results of its inquiry no later than nine months after the enactment date of the Satellite Home Viewer Extension and Reauthorization Act of 2004 (SHVERA), *i.e.*, September 8, 2005. (Pub. L. 108-447, § 208, 118 Stat 2809, 3428-29, 2004. The SHVERA was enacted on December 8, 2004, as title IX of the "Consolidated Appropriations Act, 2005.") The Public Notice called for reply comments on March 16, 2005.

2. The Walt Disney Company, Disney ABC Cable Networks Group, The ABC Television Network, and the ABC-owned television stations (collectively, Disney) has requested a thirty day extension of time, until April 15, 2005, to file reply comments. Disney seeks this extension of time to prepare a detailed reply to the issues raised in the initial comments, including an economic analysis in response to a study on retransmission consent submitted by the Joint Cable Commenters.

3. The Commission concludes that the Walt Disney Company has stated good cause for itself and others to receive an extension of fifteen days for the filing of their reply comments. A fifteen day extension will result in a more complete discussion and analysis of the issues raised in the initial comments.

4. Accordingly, *It is ordered that*, pursuant to Sections 4(i), 4(j), and 5(c) of Communications Act of 1934, as amended, 47 U.S.C. 154(i), 154(j) and

155(c), and sections 0.61, 0283, and 1.46 of the Commission's rules, 47 CFR 0.61, 0.283, and 1.46, the date for filing reply comments in MB Docket No. 05-28 is extended until March 31, 2005.

#### Defense Federal Acquisition Regulation Supplement; Contractor Performance of Acquisition Functions Closely Associated With Inherently Governmental Functions

**AGENCY:** Department of Defense (DoD).

**ACTION:** Interim rule with request for comments.

**SUMMARY:** DoD has issued an interim rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to implement Section 804 of the National Defense Authorization Act for Fiscal Year 2005. *Comment date:* Comments on the interim rule should be submitted to the address shown below on or before May 23, 2005 to be considered in the formation of the final rule.

**FOR FURTHER INFORMATION CONTACT:** Ms. Robin Schulze, (703) 602-0326.

**SUPPLEMENTARY INFORMATION:**

**A. Background**

This interim rule adds DFARS Subpart 207.5 to implement Section 804 of the National Defense Authorization Act for Fiscal Year 2005 (Public Law 108-375). Section 804 adds 10 U.S.C. 2383, which places limitations on the award of contracts for performance of the acquisition functions closely associated with inherently governmental functions that are listed in section 7.503(d) of the Federal Acquisition Regulation.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

**B. Regulatory Flexibility Act**

DoD has prepared an initial regulatory flexibility analysis consistent with 5 U.S.C. 603. The analysis is summarized as follows: The objective of the rule is to ensure proper management and oversight of contracts for functions that generally are not considered to be inherently governmental, but may approach being in that category because of the nature of the function, the manner in which the contractor performs the contract, or the manner in which the Government administers contractor performance. The impact of the rule on small entities is unknown at this time. DoD agencies will implement the requirements of the rule in making decisions whether to enter into, and in the administration of, contracts for performance of the acquisition functions closely associated with inherently governmental functions that are listed in section 7.503(d) of the Federal Acquisition Regulation. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2004-D021.

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply, because the rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, et seq.

**D. Determination To Issue an Interim Rule**

A determination has been made under the authority of the Secretary of Defense that urgent and compelling reasons exist to publish an interim rule prior to affording the public an opportunity to comment. This interim rule implements Section 804 of the National Defense Authorization Act for Fiscal Year 2005 (Public Law 108-375). Section 804 provides that DoD may enter into contracts for the performance of acquisition functions closely associated with inherently governmental functions only if: (1) Appropriate DoD personnel cannot reasonably be made available to perform the functions; (2) appropriate DoD personnel will supervise contractor performance and will perform all associated inherently governmental functions; and (3) DoD addresses any potential organizational conflict of interest of the contractor in the performance of the contract. Section 804 became effective upon enactment on October 28, 2004. Comments received in response to this interim rule will be considered in the formation of the final rule.
