Stainless Steel Sheet and Strip in Coils From Germany: Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: March 28, 2005.

FOR FURTHER INFORMATION CONTACT:

Deborah Scott, Tyler Weinhold, or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-2657, (202) 482-1121, or (202) 482-0649, respectively.

Background

On July 30, 2004, the Department of Commerce (the Department) received timely requests to conduct an administrative review of the antidumping duty order on stainless steel sheet and strip in coils from Germany. On August 30, 2004, the Department published a notice of initiation of this administrative review, covering the period of July 1, 2003 through June 30, 2004. (69 FR 52857). The preliminary results are currently due no later than April 2, 2005.

Extension of Time Limits for Preliminary Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within these time periods because the review is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order for which a review is requested.

The Department has determined it is not practicable to complete this review

within the statutory time limit, because of the complicated issues in this review, including the reporting of home market downstream sales and the reporting of physical product characteristics. Analysis of these issues requires additional time and makes it impracticable to complete the preliminary results of this review within the originally anticipated time limit. Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review until no later than August 1, 2005, which is the next business day after 365 days from the last day of the anniversary month. We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

March 22, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Environmental Literacy Grants

AGENCY: Office of Education and Sustainable Development (OESD), Office of the Undersecretary of Commerce for Oceans and Atmosphere (USEC), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC)

ACTION: Notice and request for proposals.

SUMMARY: This notice announces that OESD is soliciting 1- to 3-year proposals for environmental literacy projects. Funded projects will further NOAA's education goals articulated in the NOAA Education Plan http://www.oesd.noaa.gov/NOAA_Ed_Plan.pdf. Funding is available to encourage the development of partnerships and to support existing, or foster growth of new, environmental literacy projects. This program has two funding priorities for FY05: (1) Partnerships that promote systemic change in NOAA-related science education, and (2) Innovative presentation of NOAA science and earth observing data through educational data visualizations and other educational tools. Within priority two, NOAA has committed to funding the installation of up to four "Science on a Sphere" (SOS)

data systems at informal education venues. These "Science on a Sphere" installations will be funded by way of one- to three-year cooperative agreements. It is anticipated that final recommendations for funding under this announcement will be made in mid Calendar Year 2005, and that projects funded under this announcement will have a start date no earlier than September 30, 2005.

DATES: The deadline for receipt of proposals is 5 p.m. EDT on May 12, 2005.

ADDRESSES: Applications should be submitted through the following website: (<http://www.grants.gov>). The full text of the funding opportunity announcement for this OESD program can be accessed via the same website. If an applicant does not have Internet access, hard copies of full proposals should be sent to Sarah Schoedinger, DOC/NOAA, Office of Education and Sustainable Development, 14th and Constitution Avenue NW, HCHB 6863, Washington, DC 20230. Application kits may be requested from Sarah Schoedinger at 202-482-2893 or Beth Day at 301-713-2431 x 148. This announcement will also be available at the NOAA Web site: <http://www.ofa.noaa.gov/%7Eamd/SOLINDEX.HTML> or by contacting the program officials identified in **FOR FURTHER INFORMATION CONTACT.**

FOR FURTHER INFORMATION CONTACT:

Sarah Schoedinger at sarah.schoedinger@noaa.gov, telephone 202-482-2893, or Beth Day at elizabeth.day@noaa.gov, telephone 301-713-2431 x 148.

SUPPLEMENTARY INFORMATION: This notice announces that OESD is soliciting 1- to 3-year proposals for environmental literacy projects. Funded projects will further NOAA's education goals articulated in the NOAA Education Plan http://www.oesd.noaa.gov/NOAA_Ed_Plan.pdf. Funding is available to encourage the development of partnerships and to support existing, or foster growth of new, environmental literacy projects. This program has two funding priorities for FY05: (1) Partnerships that promote systemic change in NOAA-related science education, and (2) innovative presentation of NOAA science and earth observing data through educational data visualizations and other educational tools.
