COMMITTEE FOR THE IMPLEMENTATION OF TEXTILE AGREEMENTS

Request for Public Comment on Short Supply Petition Under the North American Free Trade Agreement (NAFTA)

March 25, 2005.

AGENCY: The Committee for the Implementation of Textile Agreements (CITA)

ACTION: Request for public comments concerning a request for modification of the NAFTA rules of origin for woven cotton boxer shorts made from certain fabrics.

SUMMARY: On March 2, 2005 the Chairman of CITA received a request from Alston & Bird LLP, on behalf of Robinson Manufacturing Company (Robinson), alleging that certain woven fabrics, of the specifications detailed below, classified in the indicated subheadings of the Harmonized Tariff Schedule of the United States (HTSUS), cannot be supplied by the NAFTA region in commercial quantities in a timely manner and requesting that the President proclaim a modification of the NAFTA rule of origin. Robinson requests that the NAFTA rule of origin for boxer shorts classified under HTSUS 6207.11 should be modified to allow the use of non-North American woven fabrics of the type described below.

The President may proclaim a modification to the NAFTA rules of origin only after reaching an agreement with the other NAFTA countries on the modification. CITA hereby solicits public comments on this request, in particular with regard to whether woven fabrics of the type described below can be supplied by the domestic industry in commercial quantities in a timely manner. Comments must be submitted by April 29, 2005 to the Chairman, Committee for the Implementation of Textile Agreements, Room 3001, United States Department of Commerce, Washington, D.C. 20230.

FOR FURTHER INFORMATION CONTACT: Martin J. Walsh, International Trade Specialist, Office of Textiles and Apparel, U.S. Department of Commerce, (202) 482-2818.

SUPPLEMENTARY INFORMATION:

Authority: Section 204 of the Agricultural Act of 1956, as amended (7 USC 1854); Section 202(q) of the North American Free Trade Agreement Implementation Act (19 USC 3332(q)); Executive Order 11651 of March 3, 1972, as amended.

BACKGROUND

Under the North American Free Trade Agreement (NAFTA), NAFTA countries are required to eliminate customs duties on textile and apparel goods that qualify as originating goods under the NAFTA rules of origin, which are set out in Annex 401 to the NAFTA. The NAFTA provides that the rules of origin for textile and apparel products may be amended through a subsequent agreement by the NAFTA countries. In consultations regarding such a change, the NAFTA countries are to consider issues of availability of supply of fibers, yarns, or fabrics in the free trade area and whether domestic producers are capable of supplying commercial quantities of the good in a timely manner. The Statement of Administrative Action (SAA) that accompanied the NAFTA Implementation Act stated that any interested person may submit to CITA a request for a modification to a particular rule of origin based on a change in the availability in North America of a particular fiber, yarn or fabric and that the requesting party would bear the burden of demonstrating that a change is warranted. The SAA provides that CITA may make a recommendation to the President regarding a change to a rule of origin for a textile or apparel good. The NAFTA Implementation Act provides the President with the authority to proclaim modifications to the NAFTA rules of origin as are necessary to implement an agreement with one or more NAFTA country on such a modification.

On March 2, 2005 the Chairman of CITA received a request from Alston & Bird LLP, on behalf of Robinson Manufacturing Company, alleging that certain woven fabrics, of the specifications detailed below, classified in the indicated subheadings of the Harmonized Tariff Schedule of the United States (HTSUS), cannot be supplied by the domestic industry in commercial quantities in a timely manner and requesting that CITA consider whether the NAFTA rule of origin for boxer shorts classified under HTSUS 6207.11 should be modified to allow the use of non-North American woven fabrics of the type described below. Such a proclamation may be made only after reaching agreement with the other NAFTA countries on the modification.
