SUPPLEMENTARY INFORMATION:

Background.—On January 8, 1987, the Department of Commerce (“Commerce”) issued a countervailing duty order on imports of brass sheet and strip from

Brazil (52 FR 698). On January 12, 1987, Commerce issued antidumping duty orders on imports of brass sheet and strip from Brazil and Canada (52 FR 1214). On March 6, 1987, Commerce issued a countervailing duty order on imports of brass sheet and strip from France and antidumping duty orders on imports of brass sheet and strip from France, Germany and Italy (52 FR 6995; Italy amended at 52 FR 11299 (April 8, 1987)). On August 12, 1988, Commerce issued an antidumping duty order on imports of brass sheet and strip from Japan (53 FR 30454). Following five-year reviews by Commerce and the Commission, effective May 1, 2000, Commerce issued a continuation of the countervailing duty orders on imports of brass sheet and strip from Brazil and France and a continuation of the antidumping duty orders on imports of brass sheet and strip from Brazil, Canada, France, Germany, Italy, and Japan (65 FR 25304). The Commission is now conducting second reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. It will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full reviews or expedited reviews. The Commission's determinations in any expedited reviews will be based on the facts available, which may include information provided in response to this notice.

Definitions.—The following definitions apply to these reviews:

(1) Subject Merchandise is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by Commerce.

(2) The Subject Countries in these reviews are Brazil, Canada, France, Germany, Italy, and Japan.

(3) The Domestic Like Product is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the Subject merchandise. In its original countervailing duty determinations concerning brass sheet and strip from Brazil and France and antidumping duty determinations concerning brass sheet and strip from Brazil, Canada, France, Germany, and Italy, the Commission defined the Domestic Like Product to include brass material to be rerolled (reroll) and finished brass sheet and strip (finished products). In its original antidumping duty determination and the remand determination concerning brass sheet and strip from Japan, the Commission

defined the Domestic Like Product to be all Unified Numbering System (“UNS”) C20000 domestically produced brass sheet and strip. One Commissioner defined the Domestic Like Product differently. In its full five-year review determinations, the Commission defined the Domestic Like Product as all UNS C20000 series brass sheet and strip. For purposes of this notice, the Domestic Like Product is all UNS C20000 series brass sheet and strip.

(4) The Domestic Industry is the U.S. producers as a whole of the Domestic Like Product, or those producers whose collective output of the Domestic Like Product constitutes a major proportion of the total domestic production of the product. In its original countervailing duty determination concerning brass sheet and strip from Brazil and France and antidumping duty determinations concerning brass sheet and strip from Brazil, Canada, France, Germany, and Italy, the Commission defined the Domestic Industry to include primary mills with casting capabilities and rerollers. In its original antidumping duty determination and the remand determination concerning brass sheet and strip from Japan, the Commission defined the Domestic Industry as producers of the corresponding Domestic Like Product. One Commissioner defined the Domestic Industry differently. In its full five-year review determinations, the Commission defined the Domestic Like Product to consist of the domestic producers of UNS C20000 series brass sheet and strip. For purposes of this notice, the Domestic Industry is domestic producers of all UNS C20000 series brass sheet and strip.

(5) An Importer is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the Subject Merchandise into the United States from a foreign manufacturer or through its selling agent.

Participation in the reviews and public service list.—Persons, including industrial users of the Subject Merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11(b)(4) of the Commission's rules, no later than 21 days after the publication of this notice in the **Federal Register**. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

¹ No response to this request for information is required if a currently valid Office of Management and Budget (OMB) number is not displayed; the OMB number is 3117-0016/USITC No. 05-5-118, expiration date June 30, 2005. Public reporting burden for the request is estimated to average 10 hours per response. Please send comments regarding the accuracy of this burden estimate to the Office of Investigations, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436.

Former Commission employees who are seeking to appear in Commission five-year reviews are reminded that they are required, pursuant to 19 CFR 201.15, to seek Commission approval if the matter in which they are seeking to appear was pending in any manner or form during their Commission employment. The Commission is seeking guidance as to whether a second transition five-year review is the "same particular matter" as the underlying original investigation for purposes of 19 CFR 201.15 and 18 U.S.C. 207, the post employment statute for Federal employees. Former employees may seek informal advice from Commission ethics officials with respect to this and the related issue of whether the employee's participation was "personal and substantial." However, any informal consultation will not relieve former employees of the obligation to seek approval to appear from the Commission under its rule 201.15. For ethics advice, contact Carol McCue Verrati, Deputy Agency Ethics Official, at 202-205-3088.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and APO service list.—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. § 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification.—Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Written submissions.—Pursuant to section 207.61 of the Commission's

rules, each interested party response to this notice must provide the information specified below. The deadline for filing such responses is May 23, 2005. Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is June 14, 2005. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Also, in accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

Inability to provide requested information.—Pursuant to section 207.61(c) of the Commission's rules, any interested party that cannot furnish the information requested by this notice in the requested form and manner shall notify the Commission at the earliest possible time, provide a full explanation of why it cannot provide the requested information, and indicate alternative forms in which it can provide equivalent information. If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to the notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.
