Notice of Proposal To Amend Charter; Order Authorizing the Solicitation of Proxies

Pepco Holdings, Inc. ("PHI"), 701 Ninth Street, Washington, DC 20068, a Delaware corporation and a registered public utility holding company under the Act, has filed a declaration ("Declaration") under to sections 6(a)(2) and 12(e) of the Act and rules 54, 62 and 65 under the Act.

PHI requests authority to (i) amend its corporate charter to eliminate classification of the Board of Directors ("Proposed Amendment") and (ii) solicit proxies from the holders of PHI's shares of common stock to implement the Proposed Amendment.

PHI states that it has had a staggered Board of Directors in place since it became a public company at the time of the closing of the merger involving its public utility subsidiary Potomac

Electric Power Company ("Pepco") and Conectiv, formerly a registered public utility holding company, in 2002. Prior to the merger, Pepco had a staggered board beginning in 1988 and Conectiv had a staggered board from the time it became a public company in 1998. Under PHI's staggered board arrangement, the Board of Directors is divided into three classes, with the directors of one of the classes elected annually for three-year terms.

PHI states that the Board of Director's Corporate Governance/Nominating Committee conducted a review of the relative merits of annually elected and staggered boards. The Nominating Committee recommended to the Board that the staggered election of directors be eliminated. After reviewing and assessing the recommendation of the Nominating Committee, the Board of Directors adopted a resolution, declaring it advisable that section C of Article V of PHI's Restated Certificate of Incorporation be amended to eliminate classification of the Board of Directors.

PHI states that if the Proposed Amendment is approved, each nominee for election as a director, including directors standing for reelection, will be elected for a one-year term. The Proposed Amendment will not shorten the term of any director elected at or prior to the 2005 Annual Meeting. Accordingly, in 2006 only the nominees to succeed the directors whose terms expire in 2006, would be elected for one-year terms. In 2007, the nominees to succeed the directors whose terms expire in 2007 and to succeed the directors elected in 2006 would be elected for one-year terms. Beginning in 2008, all of the members of the Board of Directors would be elected for one-year terms. Under paragraph D of Article V of the Restated Certificate of Incorporation, any vacancy on the Board of Directors resulting other than because of an increase in the authorized number of directors elected by shareholders may be filled by a majority of the directors then in office. In accordance with this provision, if during the transition period a vacancy occurs with respect to a director whose term of office continues beyond the next annual meeting, the term of any director elected to fill such a vacancy shall expire at the next shareholders' meeting at which directors are elected, and the remainder of the term, if any, shall be filled by a director elected at that meeting.

PHI states that in accordance with paragraph G of Article V of the Restated Certificate of Incorporation, adoption of the Proposed Amendment requires the affirmative vote of the holders of two-thirds the outstanding shares of PHI's
