The area described contains 9.06 acres, more or less, in Door County.

Door County has applied for patent to the public land under the R&PP Act. The United States Coast Guard expressly concurs with this disposition of the land. 2. Valid existing rights.

Detailed information concerning the foregoing is available for review at the office of the Bureau of Land Management listed above.

Commencing on April 8, 2005, the above described land will be segregated from all forms of appropriation under the public land laws, except for conveyance under the Recreation and Public Purposes Act and leasing under the mineral leasing laws.
