

on the NYSE, an NYSE specialist is responsible only for any loss sustained up to and including the next business day's opening price. Currently, if that deadline is missed on Amex, however, the Amex member or member organization can still make a written request up to the next business day's close, and the Amex equity specialist will be responsible for one-half of any loss established before that close. (On both exchanges, if the member or member organization makes a written request by one-half hour before the next business day's opening, the specialist is responsible until he or she responds to the request.)

The Exchange believes that its rule should be changed to put Amex equity and ETF specialists on equal footing with the NYSE specialists. Thus, the Exchange proposes to revise Amex Rule 178(b) to provide that, if a written request for a report is not made by one-half hour before the next business day's opening, then the Amex equity or ETF specialist would be responsible only for any loss sustained up to and including the next business day's opening price. The Exchange believes that its rule should have the same flexibility as the NYSE rule and is proposing to revise Amex Rule 178(a) to permit Amex to change the half-hour deadline on a temporary basis if "market conditions so warrant." Specifically, the Exchange proposes that the Senior Supervisory Officer or, in his or her absence, a Floor Governor or an Executive Vice President responsible for Market Operations, would have the authority to make the decision to change the one-half hour deadline.

2. Statutory Basis

Amex believes that the proposed rule change, as amended, is consistent with Section 6(b) of the Act⁵ in general and furthers the objectives of Section 6(b)(5)⁶ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

Amex believes that the proposed rule change, as amended, would impose no burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange did not solicit or receive any written comments with respect to the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the Exchange consents, the Commission will:

- A. By order approve such proposed rule change, as amended, or
- B. Institute proceedings to determine whether the proposed rule change, as amended, should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the

public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section.
