

The staff of each committee shall prepare a summary of any meeting or portion not open to the public within three (3) business days following the conclusion of the meeting of the National Council on the Arts considering applications recommended by such committees. The summaries shall be consistent with the considerations that justified the closing of the meetings.

All other portions of the meetings of these advisory committees shall be open to the public unless the Chairperson of the National Endowment for the Arts or a designee determines otherwise in accordance with section 10(d) of the Act.

The Panel Coordinator shall be responsible for publication in the **Federal Register** or, as appropriate, in local media, of a notice of all advisory committee meetings. Such notice shall be published in advance of the meetings and contain:

1. Name of the committee and its purposes;
2. Date and time of the meeting, and, if the meeting is open to the public, its location and agenda; and
3. A statement that the meeting is open to the public, or, if the meeting or any portion thereof is not to be open to the public, a statement to that effect.

The Panel Coordinator is designated as the person from whom lists of committee members may be obtained and from whom minutes of open meetings or open portions thereof may be requested.

Guidelines

Any interested person may attend meetings of advisory committees that are open to the public.

Members of the public attending a meeting will be permitted to participate in the committee's discussion at the discretion of the chairperson of the committee, if the chairperson is a full-time Federal employee; if the chairperson is not a full-time Federal employee then public participation will be permitted at the chairperson's discretion with the approval of the full-time Federal employee in attendance at the meeting in compliance with the order.

Dated: April 8, 2005.

Dana Gioia,

Chairman, National Endowment for the Arts.

SUPPLEMENTARY INFORMATION: *Title of Collection:* Fellowship Applications and Award Forms.

OMB Approval Number: 3145-0023.
Expiration Date of Approval: July 31, 2005.

Type of Request: Intent to seek approval to extend without revision and information collection for three years.

Abstract: Section 10 of the National Science Foundation Act of 1950 (42 U.S.C. 1861 *et seq.*), as amended, states that "The Foundation is authorized to award, within the limits of funds made available * * * scholarships and graduate fellowships for scientific study or scientific work in the mathematical physical, medical, biological, engineering, social, and other sciences at appropriate nonprofit American or nonprofit foreign institutions selected by the recipient of such aid, for stated periods of time."

The Foundation Fellowship Programs are designed to meet the following objectives:

- To assure that some of the Nation's most talented students in the sciences obtain the education necessary to become creative and productive scientific researchers.

- To train or upgrade advanced scientific personnel to enhance their abilities as teachers and researchers.

- To promote graduate education in the sciences, mathematics, and engineering at institutions that have traditionally served ethnic minorities.

- To encourage pursuit of advanced science degrees by students who are members of ethnic groups traditionally under-represented in the Nation's advanced science personnel pool

The list of fellowship award programs sponsored by the Foundation may be found via FastLane through the NSF Web site: <http://www.fastlane.nsf.gov>.

Estimate of Burden: These are annual award programs with application deadlines varying according to the fellowship program. Public burden may also vary according to program, however it is estimated that each submission is averaged to be 12 hours per respondent.

Respondents: Individuals.

Estimated Number of Responses: 5,000.

Estimated Total Annual Burden on Respondents: 60,000 hours.

Frequency of Responses: Annually.

Comments: Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including through the use of automated collection techniques or other forms of information technology; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
