

appropriate, to settle their disputes early to avoid additional fees. Compensating arbitrators for their inconvenience due to last minute adjournments should help PCX maintain a pool qualified arbitrators by assuring arbitrators of some compensation in the event that a scheduled hearing is adjourned at the last minute. In sum, the Commission believes that, by providing a more efficient and effective forum for investors to address grievances, the proposed rule change will serve to protect investors and the public interest. Moreover, the Commission believes that the proposed rule change will provide for the equitable allocation of the new adjournment fee among PCX members and other persons using the PCX arbitration forum, and that the new fee is reasonable.

III. Conclusion

For the foregoing reasons, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,¹² that the proposed rule change (SR-PCX-2004-124) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹³

Margaret H. McFarland,
Deputy Secretary.
