

upon any additional facts the Postal Service deems relevant, or on the decision of another government agency. In such cases, the findings of facts by another government agency may be considered as established, but, within 30 days of the notice of proposed debarment, the supplier may submit, in person or in writing, or through a representative, any additional facts, information, or argument to the vice president of Supply Management, and to explain why debarment by the Postal Service should not be imposed.

(4) Questions of fact to be resolved by a hearing before the Judicial Office will be based on the preponderance of the evidence.

(5) After consideration of the circumstances and any information and argument submitted by the supplier, the vice president of Supply Management, with the concurrence of the General Counsel, will issue a written decision regarding whether the supplier is debarred, and, if so, for the period of debarment. The decision will be mailed to the supplier by Certified Mail, return receipt requested. A copy of the decision will be furnished to the Office of the Inspector General. The decision will be final and binding, unless:

(i) The decision was procured by fraud or other criminal misconduct or

(ii) The decision was obtained in violation of the regulations contained in this part or an applicable public law enacted by Congress.

(i) *Causes for Suspension.* The vice president of Supply Management may suspend any supplier, including any of its affiliates, if:

(1) The supplier commits, is indicted for, or is convicted of fraud or a criminal offense incidental to obtaining, attempting to obtain, or performing a government contract, violates a Federal antitrust statute arising out of the submission of bids and proposals, or commits or engages in embezzlement, theft, forgery, bribery, falsification or destruction of records, receipt of stolen property, or any other offense indicating a lack of business integrity or business honesty; or

(2) If the Postal Service has notified a supplier of its proposed debarment under this Part.

(j) *Period of Suspension.* A suspension will not exceed 1 year in duration, except a suspension may be extended for reasonable periods of time beyond 1 year by the vice president of Supply Management. The termination of a suspension will not prejudice the Postal Service's position in any debarment proceeding. A suspension will be superseded by a decision rendered by the vice president of

Supply Management, under paragraph (h)(5) of this section.

(k) *Procedural Requirements for Suspension.* (1) The vice president of Supply Management will notify a supplier of a suspension or an extension of a suspension and the reason(s) for the suspension or extension in writing sent to the supplier by Certified Mail, return receipt requested, within 10 days after the effective date of the suspension or extension. A copy of the notice will be furnished to the Office of the Inspector General.

(2) The notice will state the cause(s) for the suspension or extension.

(3) Within 30 days of notice of suspension or an extension, a supplier may submit to the vice president of Supply Management in writing, any information or reason(s) the supplier believes makes a suspension or an extension inappropriate, and the vice president of Supply Management in consultation with the General Counsel, will consider the supplier's submission, and, in their discretion, may revoke a suspension or an extension of a suspension. If a suspension or extension is revoked, the revocation will be in writing and a copy of the revocation will be sent to the supplier by Certified Mail, return receipt requested. A copy of the revocation will be furnished to the Office of the Inspector General.

Chief Counsel, Legislative.

BILLING CODE 7710-12-U

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket No. FEMA-7875]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency

Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: Effective Dates: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

ADDRESSES: If you wish to determine whether a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.

FOR FURTHER INFORMATION CONTACT: Michael M. Grimm, Mitigation Division, 500 C Street, SW.; Room 412, Washington, DC 20472, (202) 646-2878.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the National Flood Insurance Program, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59 *et seq.* Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, the Federal Emergency Management Agency has identified the special flood hazard areas in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM if one has been published, is indicated in the fourth column of the table. No direct Federal financial

assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in the identified special flood hazard area of communities not participating in the NFIP and identified for more than a year, on the Federal Emergency Management Agency's initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives a 6-month, 90-day, and 30-day notification letter addressed to the Chief Executive Officer that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications have been made, this final rule may take effect within less than 30 days.

National Environmental Policy Act

This rule is categorically excluded from the requirements of 44 CFR Part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act

The Administrator has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless they take remedial action.

Regulatory Classification

This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act

This rule does not involve any collection of information for purposes of

the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Executive Order 12612, Federalism

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp.; p. 252.

Executive Order 12778, Civil Justice Reform

This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp.; p. 309.
