[Docket Number 2005 20989]

Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel VIVACE.

SUMMARY: As authorized by Pub. L. 105-383 and Pub. L. 107-295, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is listed below. The complete application is given in DOT docket 2005-20989 at <http://dms.dot.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (68 FR 23084; April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

DATES: Submit comments on or before May 23, 2005.

ADDRESSES: Comments should refer to docket number MARAD-2005-20989. Written comments may be submitted by hand or by mail to the Docket Clerk, U.S. DOT Dockets, Room PL-401, Department of Transportation, 400 7th St., SW., Washington, DC 20590-0001. You may also send comments electronically via the Internet at <http://dmses.dot.gov/submit/>. All comments will become part of this docket and will

be available for inspection and copying at the above address between 10 a.m. and 5 p.m., e.t., Monday through Friday, except federal holidays. An electronic version of this document and all documents entered into this docket is available on the World Wide Web at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Sharon Cassidy, U.S. Department of Transportation, Maritime Administration, MAR-830 Room 7201, 400 Seventh Street, SW., Washington, DC 20590. Telephone (202) 366-5506.

SUPPLEMENTARY INFORMATION: As described by the applicant the intended service of the vessel VIVACE is:

Intended Use: "Occasional passenger charters only. No cargo. Estimate less than 6 weeks per year."

Geographic Region: "Washington and California."

Dated: April 14, 2005.

By order of the Maritime Administrator.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[U.S. DOT Docket Number NHTSA-2005-20933; OMB Control Number: 2127-0621]

Reports, Forms, and Recordkeeping Requirements

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Federal Register notice; request for public comment on a proposed collection of information.

SUMMARY: Before a Federal agency can collect certain information from the public; it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information. This document describes an existing collection of information previously approved by OMB. The authority to collect the information is expiring and NHTSA is seeking OMB approval to extend the collection of information for another three years.

DATES: Comments must be received on or before June 21, 2005.

ADDRESSES: Comments must refer to the docket number cited at the beginning of this notice and be submitted to the DOT

Public Docket Office, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Please identify the proposed collection of information for which comments are provided by referencing its OMB control number. It is requested, but not required, that one original plus two copies of the comment be provided. The Docket Office is open on weekdays from 9 a.m. to 5 p.m. except government holidays. For further information or to find out how to submit comments electronically call (202) 366-9322.

FOR FURTHER INFORMATION CONTACT: William D. Evans, Office of Crash Avoidance Standards at (202) 366-2272. Mr. Evans' FAX number is (202) 366-7002 and you may send mail to him at the National Highway Traffic Safety Administration (NVS-123), 400 Seventh Street, SW., Washington, DC 20590. Please identify the relevant collection of information by referring to its OMB Control Number.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) How to enhance the quality, utility, and clarity of the information to be collected;

(iv) How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

The information collection described below has been in effect since December 31, 2002 and expires December 31, 2005. OMB requires this process in order to extend the information collection for another three years. In compliance with these requirements,
