SUPPLEMENTARY INFORMATION:

Overview

The Violent Crime Control and Law Enforcement Act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes in this nation. The Tribal Resources Grant Program was developed to meet the most serious needs of law enforcement in tribal communities through a comprehensive grant program that will offer a variety of funding options. This program will enhance law enforcement infrastructures and community policing efforts in these tribal communities, many of which have limited resources and are affected by high rates of crime and violence.

The Tribal Resources Grant Program is part of a larger federal initiative which, over the last seven years, has resulted in the Department of Interior and Justice working in collaboration to improve law enforcement in tribal communities. Funding has been appropriated to several DOJ agencies including the FBI, the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP) and the COPS Office. COPS is coordinating with these agencies as well as with the Office of Law Enforcement Services of the Bureau of Indian Affairs to ensure that limited resources are not spent on duplicative efforts.

Approximately \$20 million in funding will be available under the Tribal Resources Grant Program. The grant will cover a maximum federal share of 75% of total project costs. A local match requirement of at least 25% of total project cost is included in this program. A waiver of the local match requirement may be requested but will be granted only on the basis of documented demonstrated fiscal hardship. Requests for waivers must be submitted with the application.

Tribes whose law enforcement services are exclusively provided by local policing agencies through contract arrangements are not eligible under this COPS program.

Receiving an award under the Tribal Resources Grant Program will not preclude grantees from future consideration under other COPS grant programs for which they are eligible.

The Catalog of Federal Domestic Assistance (CFDA) reference for this program is 16.710.

Dated: April 17, 2005.

Carl Peed,

Director.
