BILLING CODE 4830-01-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[CGD05-05-024]

RIN 1625-AA08

Special Local Regulations for Marine Events; Approaches to Annapolis Harbor, Spa Creek and Severn River, Annapolis, MD

AGENCY: Coast Guard, DHS.

ACTION: Notice of enforcement.

SUMMARY: The Coast Guard is implementing the special local regulations at 33 CFR 100.511 during the Annapolis Yacht Club boat parade, a marine event to be held May 8, 2005, on the waters of Spa Creek and the Severn River at Annapolis, Maryland. These special local regulations are necessary to control vessel traffic due to the confined nature of the waterway and expected vessel congestion during the event. The effect will be to restrict

general navigation in the regulated area for the safety of event participants, spectators and vessels transiting the event area.

DATES: 33 CFR 100.511 will be enforced from 10:30 a.m. to 1 p.m. on May 8, 2005.

FOR FURTHER INFORMATION CONTACT: Ronald Houck, Marine Events Coordinator, Commander, Coast Guard Sector Baltimore, 2401 Hawkins Point Road, Baltimore, MD 21226-1971, and (410) 576-2674.

SUPPLEMENTARY INFORMATION: The Annapolis Yacht Club will sponsor a boat parade on the waters of Spa Creek and the Severn River at Annapolis, Maryland. The event will consist of approximately 60 boats traveling at slow speed along two separate parade routes in Annapolis Harbor. In order to ensure the safety of participants, spectators and transiting vessels, 33 CFR 100.511 will be enforced for the duration of the event. Under the provisions of 33 CFR 100.511, from 10:30 a.m. to 1 p.m. on May 8, 2005 vessels may not enter the regulated area without permission from the Coast Guard Patrol Commander. Spectator vessels may anchor outside the regulated area but may not block a navigable channel. Because these restrictions will be in effect for a limited period, they should not result in a significant disruption of maritime traffic.

In addition to this notice, the maritime community will be provided extensive advance notification via the Local Notice to Mariners, marine information broadcasts, and area newspapers, so mariners can adjust their plans accordingly.

Dated: April 11, 2005.

Ben R. Thomason, III,
Rear Admiral, U.S. Coast Guard, Acting Commander, Fifth Coast Guard District.

Coast Guard

33 CFR Part 100

[CGD05-05-023]

RIN 1625-AA08

Special Local Regulation for Marine Events; Severn River, College Creek, Weems Creek and Carr Creek, Annapolis, MD

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing temporary special local regulations during the "U.S. Naval Academy crew races", a marine event to be held on the waters of the Severn River at Annapolis, Maryland on May 8 and 29, 2005. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to restrict vessel traffic on the Severn River during the event.

DATES: This rule is effective from 5 a.m. on May 8, 2005 to 8 a.m. on May 29, 2005.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket CGD05-05-023 and are available for inspection or copying at Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: Dennis Sens, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398-6204.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. Publishing an NPRM would be impracticable and contrary to public interest because the event will take place before the comment period would end. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, spectator craft and other vessels transiting the event area. However advance notifications will be made to affected waterway users via marine information broadcasts and area newspapers.

Background and Purpose

On May 8 and 29, 2005, the U.S. Naval Academy will host crew races on the waters of the Severn River at Annapolis, Maryland. The event will consist of intercollegiate crew rowing teams racing along a 2000 meter course on the waters of the Severn River. A
