* The Standards Council of Canada
(SCC) voted to end its Laboratory
Accreditation Program for Substance
Abuse (LAPSA) effective May 12, 1998.
Laboratories certified through that
program were accredited to conduct
forensic urine drug testing as required
by U.S. Department of Transportation
(DOT) regulations. As of that date, the
certification of those accredited
Canadian laboratories will continue
under DOT authority. The responsibility
for conducting quarterly performance
testing plus periodic on-site inspections
of those LAPSA-accredited laboratories
was transferred to the U.S. HHS, with
the HHS' NLCP contractor continuing to
have an active role in the performance
testing and laboratory inspection
processes. Other Canadian laboratories
wishing to be considered for the NLCP
may apply directly to the NLCP
contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to
be qualified, HHS will recommend that
DOT certify the laboratory (**Federal
Register**, July 16, 1996) as meeting the
minimum standards of the Mandatory

Guidelines published in the **Federal
Register** on April 13, 2004 (69 FR
19644). After receiving DOT
certification, the laboratory will be
included in the monthly list of HHS
certified laboratories and participate in
the NLCP certification maintenance
program.

Executive Officer, SAMHSA.

Notification of the Imposition of Conditions of Entry for Certain Vessels Arriving to the United States

AGENCY: Coast Guard, DHS.

ACTION: Notice of policy.

SUMMARY: The Coast Guard announces that effective anti-terrorism measures are not in place in ports of certain countries and will impose conditions of entry on vessels arriving from those countries.

DATES: The policy announced in this notice is effective on May 23, 2005.

ADDRESSES: The Docket Management Facility maintains the public docket for this notice. This notice will be available for inspection or copying at room PL-401 on the Plaza level of the Nassif Building, 400 Seventh Street SW., Washington, DC, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call Lieutenant Galia Kaplan, Coast Guard, telephone 202-366-2591.

SUPPLEMENTARY INFORMATION:

Background and Purpose

Section 70110 of the Maritime Transportation Security Act provides that the Secretary of Homeland Security may impose conditions of entry into the United States from ports that are not maintaining effective anti-terrorism measures. The Coast Guard has been delegated the authority by the Secretary to carry out the provisions of this section. The Coast Guard has determined that ports in the following countries are not maintaining effective anti-terrorism measures: Democratic Republic of the Congo, Guinea-Bissau, Liberia, Mauritania, and Nauru. Accordingly, effective 23 May 2005, the Coast Guard will impose the following conditions of entry on vessels that visited the countries listed above during their last five port calls. Vessels must:

- Implement measures per the ship's security plan equivalent to Security Level 2;
- Ensure that each access point to the ship is guarded and that the guards have total visibility of the exterior (both landside and waterside) of the vessel while the vessel is in ports in the above countries. Guards may be provided by the ship's crew, however additional crewmembers should be placed on the ship if necessary to ensure that limits on maximum hours of work are not exceeded and/or minimum hours of rest are met, or provided by outside security forces approved by the ship's master and Company Security Officer;
- Attempt to execute a Declaration of Security;
- Log all security actions in the ship's log;
- Report actions taken to the cognizant U.S. Coast Guard Captain of the Port prior to arrival into U.S. waters; and
- Ensure that each access point to the ship is guarded by armed, private security guards and that they have total visibility of the exterior (both landside and waterside) of the vessel while in U.S. ports. The number and position of the guards has to be acceptable to the Coast Guard Captain of the Port.

Dated: April 26, 2005.

L.L. Hereth,

Director of Port Security.

BILLING CODE 4910-15-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket Nos. FR-4873-FA-02 and FR-4900-FA-09]

Housing Counseling Program; Announcement of Funding Awards for Fiscal Year 2004

AGENCY: Office of the Assistant Secretary for Housing-Federal Housing Commissioner, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in a Super Notice of Funding Availability (NOFA) competition for funding of HUD-approved counseling agencies to provide counseling services. This announcement contains the names and addresses of the agencies selected for funding and the award amounts.

Additionally, this announcement provides notice of an award given for Housing Counseling Training through a competition announced in a May 12, 2004, NOFA.

FOR FURTHER INFORMATION CONTACT:

Ruth Román, Director, Program Support Division, Room 9274, Office of Single Family Housing, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410-8000, telephone (202) 708-0317. Hearing- or speech-impaired individuals may access this number by calling the Federal Information Relay Service on 800-877-8339 or (202) 708-9300. (With the exception of the "800" number, these are not toll free numbers.)

SUPPLEMENTARY INFORMATION: The Housing Counseling Program is authorized by Section 106 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701x). HUD enters into agreement with qualified public or private nonprofit organizations to provide housing counseling services to low- and moderate-income individuals and families nationwide. The services include providing information, advice and assistance to renters, first-time homebuyers, homeowners, and senior citizens in areas such as pre-purchase counseling, financial management, property maintenance and other forms of housing assistance to help individuals and families improve their housing conditions and meet the responsibilities of tenancy and homeownership.

HUD funding of approved housing counseling agencies is not guaranteed and when funds are awarded, a HUD grant does not cover all expenses incurred by an agency to deliver housing counseling services. Counseling agencies must actively seek additional funds from other sources such as city, county, state and federal agencies and from private entities to ensure that they have sufficient operating funds. The availability of Housing Counseling grants depends upon appropriations and the outcome of the award competition.

The 2004 grantees announced in Appendix A of this notice were selected for funding through a competition announced in a NOFA published in the **Federal Register** on May 14, 2004 (69 FR 27169) for the housing counseling program. Applications were scored and selected for funding on the basis of selection criteria contained in the NOFA. HUD awarded \$35.928 million in housing counseling grants to 361 housing counseling organizations nationwide: 328 local agencies, 18 intermediaries, and 15 State housing finance agencies.
