Federal Aviation Administration

Public Notice for a Change in Use of Aeronautical Property at Millville Municipal Airport, Millville, New Jersey

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Request for public comment.

SUMMARY: The FAA is requesting public comment on the proposed release of approximately 140 acres of airport property on the south side of Millville Municipal Airport to permit its sale and development of a motorsport park. The airport land was deeded to the City of Millville under a quitclaim conveyance from the United States. It was later transferred to the Delaware River and Bay Authority (DRBA). FAA’s action is to release the land from the deed provisions requiring aeronautical use of the property. The DRBA has stated that it has no aeronautical use for the parcel now or in the near future, according to the approved Airport Layout Plan. It will also be released from a reverter clause in the quitclaim deed. The Fair Market Value for the land as determined by appraisals will be paid to the DRBA for the maintenance, operation and capital development of the airport.
