The Proposal

The FAA is considering an amendment to part 71 of the Federal Aviation Regulations (14 CFR Part 71) to establish a Class E2 airspace surface area at Bar Harbor, ME, to accommodate current SIAPs and for IFR operations at Hancock County-Bar Harbor Airport. Class E2 airspace areas designated as a surface area for an airport are published in Paragraph 6002 of FAA Order 7400.9M dated August 30, 2004, and effective September 16, 2004, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation—(1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulation evaluation as the anticipated impact is so minimal. Since this is a routine matter that would only affect air traffic procedures and air navigation, it is certified that this proposed rule would not have significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR Part 71 as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9M, dated August 30, 2004, and effective September 16, 2004, is proposed to be amended as follow:

RIN 0691–AA59

[Docket No. 050406094–5094–01]

International Services Surveys: Cancellation of Five Annual Surveys

AGENCY: Bureau of Economic Analysis, Commerce.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Bureau of Economic Analysis (BEA) plans to amend its regulations to remove the reporting requirements for five annual surveys covering international trade in services. The five annual surveys that would be discontinued are: BE–36, BE–47, BE–48, BE–82, and BE–93. BEA proposed to discontinue these surveys because they have been replaced by quarterly surveys that collect essentially the same information.

DATES: Comments on this proposed rule will receive consideration if submitted in writing on or before 5 p.m., July 5, 2005.

ADDRESSES: You may submit comments, identified by RIN 0691–AA59, and referencing the agency name (Bureau of Economic Analysis), by any of the following methods:

- Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

- E-mail: Obie.Whichard@bea.gov.

- Fax: Office of the Chief, International Investment Division, (202) 606–5318.

- Mail: Office of the Chief, International Investment Division (BE–50), Bureau of Economic Analysis, U.S. Department of Commerce, Washington, DC 20230.

- Hand Delivery/Courier: U.S. Department of Commerce, Bureau of Economic Analysis (BE–50), Shipping and Receiving Section, Room M–100, 1441 L Street, NW., Washington, DC 20005.

Public Inspection: Comments may be inspected at BEA's offices, 1441 L Street, NW., Room 7006, between 8:30 a.m. and 5 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Obie G. Whichard, Chief, International Investment Division (BE–50), Bureau of Economic Analysis, U.S. Department of Commerce, Washington, DC 20230; phone (202) 606–9890.

SUPPLEMENTARY INFORMATION: This proposed rule would amend 15 CFR Part 801 by revising Section 801.9(b) to remove the reporting requirements for five annual surveys that collect data covering international trade in services. The five surveys are:

BE–36, Foreign Airline Operators' Revenues and Expenses in the United States.

BE–47, Annual Survey of Construction, Engineering, Architectural, and Mining Services Provided by U.S. Firms to Unaffiliated Foreign Persons.

BE–48, Annual Survey of Reinsurance and Other Insurance Transactions by

U.S. Insurance Companies with Foreign Persons.

BE–82, Annual Survey of Financial Services Transactions Between U.S. Financial Services Providers and Unaffiliated Foreign Persons.

BE–93, Annual Survey of Royalties, License Fees, and Other Receipts and Payments for Intangible Rights Between U.S. and Unaffiliated Foreign Persons.

The Department of Commerce invites the general public and other Federal agencies to comment on the cancellation of the reporting requirements for these surveys.

The Department is proposing to remove the reporting requirements for these five annual surveys because the information collected is now being collected on four separate quarterly surveys. Specifically, the BE–9, Quarterly Survey of Foreign Airline Operators' Revenues and Expenses in the United States, replaces the BE–36 survey; the BE–25, Quarterly Survey of Transactions Between U.S. and Unaffiliated Foreign Persons in Selected Services and in Intangible Assets, replaces the BE–47 and BE–93 surveys; the BE–45, Quarterly Survey of Insurance Transactions with U.S. Insurance Companies with Foreign Persons, replaces the BE–48 survey; and the BE–85, Quarterly Survey of Financial Services Transactions Between U.S. Financial Services Providers and Unaffiliated Foreign Persons, replaces the BE–82 survey. BEA began collecting data on these quarterly surveys in 2004.

Executive Order 12866

This proposed rule has been determined to be not significant for purposes of E.O. 12866.

Executive Order 13132

This proposed rule does not contain policies with Federalism implications as that term is defined in E.O. 13132.

Regulatory Flexibility Act

The five annual surveys referenced above currently do not have a significant economic impact on a substantial number of small entities. Although the number of small entities that are affected by this rulemaking is unknown because this type of information is not tracked by BEA, the five surveys that BEA proposes to remove excludes most small entities from mandatory reporting. Most small entities would not be required to report the information collected in these surveys because they do not meet the reporting threshold. The BE–36 is required to be filed by U.S. offices, agents, or other representatives of
