

- TMC was set up in 1998, through a MOH and British government agreement, as a tertiary referral center for HIV/AIDS palliative care. TMC International has a ten-year agreement to manage the center on behalf of the MOH.

- TMC has been funded through Cooperative Agreement: U47/CCU020672 (PA 01142)—Clinical and Laboratory Training in HIV/AIDS in the Republic of Uganda for \$1.5 million annually since 2001.

- In 2004, TMC received supplemental funding of \$1.6 million through The Emergency Plan Track 1.5 to implement the provision of ARVs to more than 1,800 adult and pediatric clients and provide basic preventive care package services to more than 5,000 clients. It is important that patients enrolled in the ART program continue their treatment uninterrupted.

- TMC is the only institution in Uganda that has the expertise to conduct training programs for multiple cadres of health care providers in comprehensive holistic rehabilitation and palliative care for PLWHAs in both Uganda and the region.

- TMC has demonstrated experience in training health care providers in rural districts within their workstations with practical involvement and support supervision through mobile training teams. TMC has experience producing high quality HIV/AIDS training curricula that are technically accurate and follow solid adult training principles.

- TMC has a special focus on pediatrics, with over 2,500 children below 18 years receiving regular care. The center provides specialized training in pediatric HIV/AIDS care.

- Currently, the center has over 6,000 active clients with more than 2,000 on ART.

C. Funding

Approximately \$4,500,000 is available in FY 2005 to fund this award. It is expected that the award will begin on or before August 1, 2005, and will be made for a 12-month budget period within a project period of up to 5 years. Funding estimates may change.

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-R-296]

Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

AGENCY: Center for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

We are, however, requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review because the collection of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR Part 1320. This is necessary to ensure compliance with an initiative of the Administration. We cannot reasonably

comply with the normal clearance procedures because to do so would cause a statutory deadline to be missed. CMS is requesting OMB review and approval of this collection 31 days after the publication of this notice, with a 180-day approval period.

The Home Health Advance Beneficiary Notice (HHABN) requires Home Health Agencies (HHAs) to provide written notice to Medicare beneficiaries in advance of initiating, terminating or reducing beneficiary services. The current HHABN was revised to ensure that beneficiaries receive complete and useful information to enable them to make informed consumer decisions. The notice must be issued timely and provide clear and accurate information about the specified services which may no longer be covered by Medicare, including the reason(s) that Medicare denial of payment for those services is expected by the HHA.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, access CMS' Web site address at <http://www.cms.hhs.gov/regulations/practice> or e-mail your request, including your address, phone number, OMB number, and CMS document identifier, to Paperwork@cms.hhs.gov, or call the Reports Clearance Office on (410) 786-1326.

Interested persons are invited to send comments regarding the burden or any other aspect of these collections of information requirements; however, comments on these information collection and recordkeeping requirements must be received within 30 days of this notice directly to the OMB desk officer: OMB Human Resources and Housing Branch, Attention: Christopher Martin, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: April 26, 2005.

Administration for Children and Families

[CFDA#: 93.601]

Deviation From Competition To Award a Single-Source Program Expansion Supplement From the Office of Child Support Enforcement to the Community Services for Children, Inc.

AGENCY: Office of Child Support Enforcement, ACF, HHS.

ACTION: Notice.

SUMMARY: Notice is hereby given that a program expansion supplement in the amount of \$99,227 is being awarded to the Community Services for Children, Incorporated (CSC) by the Office of Child Support Enforcement (OCSE). CSC has requested additional funds and a one-year extension to build on the success of its program by offering the Family Formation and Development Project (FFDP) to 40 additional unwed, low-income couples.

The current project has shown promising results. During the past two years CSC has administered a successful Special Improvement Project (SIP) project. It has served 40 couples, meeting all stated objectives. The project serves only unwed couples with children. The majority of these families are Hispanic and are enrolled in Head Start and Early Head Start programs to ensure comprehensive family services.

CSC's objectives are:

- To improve family formation and development including marriage as a choice. CSC will provide an 8-week family formation and development course called "Healthy Relationship and Marriage Education" to 40 low-income, unwed couples with children in Head Start or Early Head Start programs.
- To promote stable families. CSC will present through course materials, other resources and home visits, information on the long-term benefits of two-parent families on the health and success of their children.
- To increase awareness of the importance of providing financial and medical support of children. CSC will collaborate with the Office of Child Support Enforcement to provide training and referral on the benefits of paternity establishment and child support services.

Section 452(j) of the Social Security Act, 42 U.S.C. 652(j), provides Federal funds for information dissemination and technical assistance to States, training of Federal and State staff to improve child support programs, and research,

demonstration, and special projects of regional or national significance relating to the operation of State child support enforcement programs.
