

presented demonstrating that TKS provided false information regarding its sales to the Dallas Morning News (DMN), the subject of the Department's 1997-1998 review. Specifically,

The jury further heard evidence at trial that TKS agreed to a fraudulent price increase and secret \$2.2 million rebate to keep the DMN from purchasing the two towers {the sale under the 97-98 administrative review} from Goss in 1996. To make it appear to Goss that the 1996 sale was not dumped, TKS and the DMN agreed to increase the price on paper to \$7.4 million. In exchange, TKS and the DMN agreed that TKS would secretly rebate \$2.2 million to the DMN through a combination of \$1 million in cash and a promise of \$1.2 million in free digital ink pumps or credit to be delivered in the future.

TKS and its counsel engaged in a concerted effort to conceal the secret rebates * * *. {TKS's counsel} told TKS that 'there should be no apparent linkage between {the digital ink pumps}' give-away and the towers' price,' and urged TKS (USA) to falsify its business records. * * * There was also evidence presented at trial that TKS and its counsel attempted to destroy documents to conceal the secret rebates. See *Goss Int'l* 321 F. Supp. 2d at 1045.

The final results of the 1997-1998 administrative review were a factor in the Department's decisions to revoke TKS from the antidumping duty order, as well as to sunset the order. We will place on the record of this review the Court decision, *Goss Int'l*, as well as a number of public documents we obtained from the court record of *Goss Int'l*.

Notice of Extension of Time Limit for Final Results of Antidumping Duty Administrative Review: Low Enriched Uranium from France

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: May 10, 2005.

FOR FURTHER INFORMATION CONTACT: Elfi Blum or Myrna Lobo at (202) 482-0197 or (202) 482-2371, respectively; AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On March 7, 2005, the Department published the preliminary results of the administrative review of the antidumping duty order on low enriched uranium from France for the period February 1, 2003 through January 31, 2004. See *Low Enriched Uranium from France: Preliminary Results of Antidumping Duty Administrative Review* (70 FR 10957). The current deadline for the final results of this review is July 7, 2005.

Extension of Time Limit for Final Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act) requires

the Department of Commerce (the Department) to issue the final results in an administrative review within 120 days after the date on which the preliminary results were published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days from the date of publication of the preliminary results. The Department finds that it is not practicable to complete the review within the original time frame due to the complex nature of the case and because the Department is seeking clarification on certain issues (supplemental questionnaires were issued on March 8, 2005 and March 18, 2005, after the preliminary results were issued). In order to provide the Department sufficient time to review the submissions, conduct verification, and thoroughly analyze all information on the record, completion of this review is not practicable within the original time limit. Consequently, in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations, the Department is extending the time limit for the completion of the final results of the review until no later than September 6, 2005, which is the next business day after 180 days from the publication of the preliminary results. This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: May 2, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.
