

ADDRESSES: Send comments to Desk Officer for NARA, Office of Management and Budget, New Executive Office Building, Washington, DC 20503; fax: (202) 395-5167.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the proposed information collection and supporting statement should be directed to Tamee Fechhelm at telephone number (301) 837-1694 or fax number (301) 837-3213.

SUPPLEMENTARY INFORMATION: Pursuant to the Paperwork Reduction Act of 1995 (Pub. L. 104-13), NARA invites the general public and other Federal agencies to comment on proposed information collections. NARA published a notice of proposed collection for this information collection on January 24, 2005 (70 FR 3398). No comments were received. NARA has submitted the described information collection to OMB for approval.

In response to this notice, comments and suggestions should address one or more of the following points: (a) Whether the proposed information collection is necessary for the proper performance of the functions of NARA; (b) the accuracy of NARA's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of information technology; and (e) whether small businesses are affected by this collection. In this notice, NARA is soliciting comments concerning the following information collection:

Title: Customer Request for Information and Order Forms.

OMB number: 3095-0047.

Agency form number: NA Form 14116.

Type of review: Regular.

Affected public: Individuals and households.

Estimated number of respondents: 36,000.

Estimated time per response: 5 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 3,000 hours.

Abstract: This web-based form is completed by members of the public who wish to either request printed order forms for copies of genealogical records or to obtain information about NARA's archival holdings or services. Customers who request printed forms indicate the type and quantity of form wanted. Those who need information about NARA's archival holdings choose a

subject heading to help describe their request. The form entails no burden other than that necessary to identify the customer, the date, the customer's address, and the nature of the request. This information is used only to facilitate answering the request and is not retained after the request is completed. The information is not used for any subsequent purpose.

Dated: May 5, 2005.

NUCLEAR REGULATORY COMMISSION

Agency Information Collection Activities: Submission for the Office of Management and Budget (OMB) Review; Comment Request

AGENCY: Nuclear Regulatory Commission (NRC).

ACTION: Notice of the OMB review of information collection and solicitation of public comment.

SUMMARY: The NRC has recently submitted to OMB for review the following proposal for the collection of information under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

1. Type of submission, new, revision, or extension: Revision.

2. The title of the information collection: 10 CFR part 52, "Early Site Permits (ESP); Standard Design Certifications; and Combined Licenses for Nuclear Power Plants".

3. The form number if applicable: Not applicable.

4. How often the collection is required: On occasion and every 10 to 20 years for applications for renewal.

5. Who will be required or asked to report: Designers of commercial nuclear power plants, electric power companies, and any person eligible under the Atomic Energy Act to apply for a construction permit for a nuclear power plant.

6. An estimate of the number of annual responses: 5.

7. The estimated number of annual respondents: 3 (2 early site permit applicants, 2 combined license applicants, and 4 design certification applicants are expected over a 3 year period.)

8. An estimate of the total number of hours needed annually to complete the requirement or request: 185,181 hours (37,036 hours per response).

9. An indication of whether Section 3507(d), Pub. L. 104-13 applies: Not applicable.

10. Abstract: 10 CFR part 52 establishes requirements for the granting of early site permits, certifications of standard nuclear power plant designs, and licenses which combine in a single license a construction permit, and an operating license with conditions (combined licenses), manufacturing licenses, standard design approvals, and
