DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

May 12, 2005.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), *OIRA_Submission@omb.eop.gov* or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8958.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it

displays a currently valid OMB control number.

Animal and Plant Health Inspection Service

Title: Phytosanitary Export Certification.

OMB Control Number: 0579-0052.

Summary of Collection: The Animal & Plant Health Inspection Service (APHIS) among other things provides export certification services to assure other countries that the plants and plant products they receive from the United States are free of plant pests specified by the receiving country. The Federal Plant Pest Act authorizes the Department to carry out this mission. APHIS will collect information using several forms.

Need and Use of the Information: APHIS will use the information collected to locate shipments, guide inspection, and issue a certificate to meet the requirements of the importing country. Failure to provide this information would have an impact on many U.S. exporters who would no longer be able to engage in the business of exporting plants and plant products overseas.

Description of Respondents: Business or other for-profit; Farm; Individual or households; Not-for-profit institutions; Federal Government; State, local or tribal government.

Number of Respondents: 23,225.

Frequency of Responses: Recordkeeping; Reporting: On occasion.

Total Burden Hours: 600,481.

Ruth Brown,

Departmental Information Collection Clearance Officer.

Farm Service Agency

Advisory Committee on Beginning Farmers and Ranchers

AGENCY: Farm Service Agency, USDA.

ACTION: Notice requesting nominations.

SUMMARY: The Secretary of Agriculture intends to renew the charter of the Advisory Committee on Beginning Farmers and Ranchers (Committee). The Committee provides advice to the Secretary on ways to encourage Federal and State beginning farmer programs to

provide joint financing to beginning farmers and ranchers, and other methods of creating new farming and ranching opportunities. Nominations of persons to serve on the Committee are invited.

DATES: Nominations will be accepted through June 17, 2005, and should be submitted to Mark Falcone, Designated Federal Official (DFO) for the Committee, at the address below.

ADDRESSES: Mark Falcone, DFO for the Advisory Committee on Beginning Farmers and Ranchers, Farm Service Agency, U.S. Department of Agriculture, 1400 Independence Avenue, SW., STOP 0522, Washington, DC 20250-0522; telephone (202) 720-1632; FAX (202) 690-1117; e-mail mark.falcone@usda.gov.

FOR FURTHER INFORMATION CONTACT:

Mark Falcone at (202) 720-1632.

SUPPLEMENTARY INFORMATION: Section 5 of the Agricultural Credit Improvement Act of 1992 (Pub. L. 102-554) required the Secretary of Agriculture to establish the Committee for the purpose of advising the Secretary on the following: (1) The development of a program of coordinated financial assistance to qualified beginning farmers and ranchers under section 309(i) of the Consolidated Farm and Rural Development Act (Federal and State beginning farmer programs provide joint financing to beginning farmers and ranchers); (2) methods of maximizing the number of new farming and ranching opportunities created through the program; (3) methods of encouraging States to participate in the program; (4) the administration of the program; and (5) other methods of creating new farming or ranching opportunities.

The law requires that members include representatives from the following groups: (1) The Farm Service Agency (FSA); (2) State beginning farmer programs (as defined in section 309(i)(5) of the Consolidated Farm and Rural Development Act); (3) commercial lenders; (4) private nonprofit organizations with active beginning farmer or rancher programs; (5) the Cooperative State Research, Education, and Extension Service; (6) Community colleges or other educational institutions with demonstrated experience in training beginning farmers or ranchers; and (7) other entities or persons providing lending or technical

assistance to qualified beginning farmers or ranchers. The Secretary has also appointed farmers and ranchers to the Committee.

USDA Departmental Regulation 1042-119 dated November 25, 1998, first established the Committee and designated FSA to provide support. Approximately one-third of the Committee membership was replaced when the Committee charter was reestablished on August 27, 2003. Approximately one-third of the 20 existing members will be replaced when the charter is renewed in August 2005. FSA is now accepting nominations of individuals to serve for a 2-year term on the Committee. Reappointments are made to assure effectiveness and continuity of operations. The duration of the Committee is indefinite. No member, other than a USDA employee, can serve for more than 6 consecutive years.

The Committee meets at least once a year and all meetings are open to the public. Committee meetings provide an opportunity for members to exchange ideas and provide advice on ways to increase opportunities for beginning farmers and ranchers. Members discuss various issues and draft recommendations, which are submitted to the Secretary in writing.

Nominations are being sought through the media, the **Federal Register**, and other appropriate methods. Persons nominated for the Committee will be required to complete and submit an Advisory Committee Membership Background Information Questionnaire (Form AD-755). Submission of this form will constitute a nomination. Letters of recommendation may also be submitted. The questionnaire is available on the Internet at <http://www.fsa.usda.gov/dafl/Downloads/ad755.pdf>.

Questionnaires can be completed online. However, nominees must print their completed forms from an Adobe PDF file and mail or fax them to the above address or fax number. The form may also be requested by telephone, fax, or e-mail. All inquiries about the nomination process and submissions of the AD-755 should be made to Mark Falcone at the addresses and numbers listed above. Appointments to the Committee will be made by the Secretary of Agriculture. Equal opportunity practices, consistent with USDA policies, will be followed in making all appointments to the Committee. To ensure that the recommendations of the Committee have taken into account the needs of the diverse groups served by the Department, membership should include, to the extent practicable,

individuals with demonstrated ability to represent minorities, women, persons with disabilities, and senior citizens.

Signed in Washington, DC, on April 29, 2005.

James R. Little,

Administrator, Farm Service Agency.
