

## Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

## Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

## Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

## Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations that Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

## Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

## Environment

We have analyzed this rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. As a special local regulation issued in conjunction with an air show, this rule satisfies the requirements of paragraph (34)(h). Under figure 2–1, paragraph (34)(h), of the Instruction, an "Environmental Analysis Check List" and a "Categorical Exclusion Determination" are not required for this rule.

## List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233; Department of Homeland Security Delegation No. 0170.1

■ 2. Add § 100.736 to read as follows:

#### § 100.736 Annual Fort Myers Beach air show; Fort Myers Beach, FL.

(a)(1) *Regulated Area.* The regulated area is formed by the following coordinates; point 1: 26°28'08" N, 81°59'15" W south to point 2: 26°27'37" N, 81°59'39" W east to point 3: 26°25'45" N, 81°55'34" W north to point 4: 26°26'14" N, 81°55'22" W and west along the contour of the shore to point 5: 26°27'52" N, 81°58'04" W to original point 1: 26°28'08" N, 81°59'15" W. All coordinates referenced use datum: NAD 83.

(2) *Air Box Area.* The air box area is contained within the regulated area and is formed by the following coordinates; point 1: 26°27'34" N, 81°58'22" W south to point 2: 26°27'07" N, 81°58'39" W east to point 3: 26°26'15" N, 81°56'36" W north to point 4: 26°26'42" N, 81°56'22" W and west to original point 1: 26°27'34" N, 81°58'22" W. All

coordinates referenced use datum: NAD 83.

(b) *Special local regulations.*

(1) Vessels and persons are prohibited from entering the air box area defined in paragraph (a)(2) of this section.

(2) No vessel may anchor/moor or transit within the regulated area defined in paragraph (a)(1) of this section, with the exception of vessel transit permitted in the marked channel as set forth in paragraph (b)(3) of this section.

(3) Vessels entering and exiting Matanzas Pass Channel will be allowed to transit using the marked channel only at Matanzas Pass Channel day beacon #3 (26°25'54" N, 82°58'12" W, LLNR 16365) and #4 (26°26'06" N, 82°57'48" W, LLNR 16370) but may not linger within the regulated area. All coordinates referenced use datum: NAD 83.

(c) *Dates.* This section will be enforced annually on the second consecutive Friday, Saturday, and Sunday of May from 8:30 a.m. until 4:30 p.m.

Dated: May 10, 2005.

**D.B. Peterman,**

*RADM, U.S. Coast Guard, Commander,  
Seventh Coast Guard District.*

## DEPARTMENT OF HOMELAND SECURITY

### Coast Guard

### 33 CFR Part 100

[CGD05–05–047]

RIN 1625–AA08

### Special Local Regulations for Marine Events; Delaware River, Delaware City, DE

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing temporary special local regulations during the "5th Annual Escape from Fort Delaware Triathlon," an event to be held June 18, 2005 over the waters of Delaware River at Delaware City, DE. These special local regulations are necessary to provide for the safety of life on navigable waters during the event. This action is intended to temporarily restrict vessel traffic in a portion of the Delaware River during the 5th Annual Escape from Fort Delaware Triathlon.

**DATES:** This rule is effective from 8:30 a.m. to 11:30 a.m. on June 18, 2005.

**ADDRESSES:** Documents indicated in this preamble as being available in the

docket are part of docket CGD05-05-047 and are available for inspection or copying at Commander (oax), Fifth Coast Guard District, 431 Crawford Street, Portsmouth, Virginia 23704-5004, between 9 a.m. and 2 p.m., Monday through Friday, except Federal holidays.

**FOR FURTHER INFORMATION CONTACT:** D. M. Sens, Project Manager, Auxiliary and Recreational Boating Safety Branch, at (757) 398-6204.

**SUPPLEMENTARY INFORMATION:**

**Regulatory Information**

We did not publish a notice of proposed rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM, because publishing an NPRM would be impracticable and contrary to public interest as immediate action is necessary to protect those using the waterway. Because of the danger posed to the swimmers competing within a confined area, special local regulations are necessary to provide for the safety of event participants, support craft and other vessels transiting the event area.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date would be contrary to the public interest, since immediate action is needed to ensure the safety of the event participants, support craft, spectator craft and other vessels transiting the event area. For the safety concerns noted, it is in the public interest to have these regulations in effect during the event. However advance notifications will be made to users of the waterway via marine information broadcasts and area newspapers.

**Background and Purpose**

On June 18, 2005, the Escape from Fort Delaware Triathlon, Inc. will sponsor the "5th Annual Escape from Fort Delaware Triathlon." The swimming segment of the event will consist of approximately 400 swimmers competing across a one mile course along the Delaware River between Pea Patch Island and Delaware City, Delaware. The competition will begin at Pea Patch Island. The participants will swim across to the finish line located at the Delaware City Wharf, swimming approximately one mile, across Bulkhead Shoal Channel.

Approximately 20 support vessels will accompany the swimmers. Due to the need for vessel control during the swimming event, the Coast Guard will

temporarily restrict vessel traffic in the event area to provide for the safety of participants, support craft and other transiting vessels.

**Discussion of Rule**

The Coast Guard is establishing temporary special local regulations on specified waters of the Delaware River between Fort Delaware on Pea Patch Island to the Delaware City Wharf at Delaware City, Delaware. The temporary special local regulations will be in effect from 8:30 a.m. to 11:30 a.m. on June 18, 2005. The effect will be to restrict general navigation in the regulated area during the event. Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area. Vessel traffic may be allowed to transit the regulated area at slow speed as the swim progresses, when the Coast Guard Patrol Commander determines it is safe to do so. The Patrol Commander will notify the public of specific enforcement times by Marine Radio Safety Broadcast. These regulations are needed to control vessel traffic during the event to enhance the safety of participants, spectators and transiting vessels.

**Regulatory Evaluation**

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not "significant" under the regulatory policies and procedures of the Department of Homeland Security (DHS).

We expect the economic impact of this rule to be so minimal that a full Regulatory Evaluation under the regulatory policies and procedures of DHS is unnecessary.

Although this regulation restricts vessel traffic from transiting a portion of the Delaware River during the event, the effect of this regulation will not be significant due to the limited duration that the regulated area will be in effect and the extensive advance notifications that will be made to the maritime community via marine information broadcasts and area newspapers so mariners can adjust their plans accordingly.

**Small Entities**

Under the Regulatory Flexibility Act (5 U.S.C. 601-612), we have considered whether this rule would have a significant economic impact on a

substantial number of small entities. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities. This rule will affect the following entities, some of which may be small entities: the owners or operators of vessels intending to transit this section of the Delaware River during the event.

This rule will not have a significant economic impact on a substantial number of small entities for the following reasons. This rule will be in effect for only a short period, from 8:30 a.m. to 11:30 a.m. on June 18, 2005. Vessels desiring to transit the event area will be able to transit the regulated area at slow speed as the swim progresses, when the Coast Guard Patrol Commander determines it is safe to do so. Before the enforcement period, we will issue maritime advisories so mariners can adjust their plans accordingly.

**Assistance for Small Entities**

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we offered to assist small entities in understanding the rule so that they could better evaluate its effects on them and participate in the rulemaking process. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the address listed under **ADDRESSES**. The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

**Collection of Information**

This rule calls for no new collection of information under the Paperwork

Reduction Act of 1995 (44 U.S.C. 3501–3520).

### Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this rule under that Order and have determined that it does not have implications for federalism.

### Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

### Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

### Protection of Children

We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not create an environmental risk to health or risk to safety that may disproportionately affect children.

### Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

### Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

### Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

### Environment

We have analyzed this rule under Commandant Instruction M16475.ID, which guides the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded that there are no factors in this case that would limit the use of a categorical exclusion under section 2.B.2 of the Instruction. Therefore, this rule is categorically excluded, under figure 2–1, paragraph (34)(h), of the Instruction, from further environmental documentation. Special local regulations issued in conjunction with a regatta or marine event permit are specifically excluded from further analysis and documentation under those sections.

### List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 33 U.S.C. 1233, Department of Homeland Security Delegation No. 0170.1.

■ 2. Add temporary § 100.35–T05–047 to read as follows:

#### § 100.35–T05–047 Delaware River, Delaware City, DE.

(a) Regulated area. The regulated area includes all waters of the Delaware River within 500 yards either side of a line drawn southwesterly from a point near the shoreline at Pea Patch Island, at latitude 39°34′43.2″ N, 075°35′12″ W, thence to latitude 39°35′08″ N, 075°34′18″ W, a position located near the Delaware City Wharf, Delaware City, DE. All coordinates reference Datum NAD 1983.

(b) Definitions. (1) *Coast Guard Patrol Commander* means a commissioned, warrant, or petty officer of the Coast Guard who has been designated by the Commander, Coast Guard Sector Delaware Bay.

(2) *Official Patrol* means any vessel assigned or approved by Commander, Coast Guard Sector Delaware Bay with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(c) *Special local regulations.* (1) Except for persons or vessels authorized by the Coast Guard Patrol Commander, no person or vessel may enter or remain in the regulated area.

(2) The operator of any vessel in the regulated area shall:

(i) Stop the vessel immediately when directed to do so by any Official Patrol.

(ii) Proceed as directed by any Official Patrol.

(d) Enforcement period. This section will be enforced from 8:30 a.m. to 11:30 a.m. on June 18, 2005.

Dated: May 6, 2005.

**Lawrence J. Bowling,**

*Captain, U.S. Coast Guard, Commander, Fifth Coast Guard District, Acting.*
