II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for

the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange currently imposes transaction fees for trades in ETFs of \$0.63 per 100 shares for specialists (capped at \$300 per trade) and \$0.60 per 100 shares for customer and broker-dealer orders (capped at \$100 per trade). There is no charge for System orders (*i.e.*, orders entered through SuperDot) up to 5,099 shares, subject to certain exceptions for competing market maker orders. The Exchange does not currently charge transaction fees for transactions in ETFs traded on the Exchange pursuant to unlisted trading privileges. For purposes of the Exchange's ETF transaction fee schedule, ETFs include Investment Company Units, Trust Issued Receipts and streetTRACKS® Gold Shares.

The Exchange proposes to reduce the ETF transaction fees for transactions in Exchange-listed ETFs⁷ to \$0.30 per round-lot for on-Floor proprietary transactions (specialist and other), capped at \$300 per trade, and \$0.30 per round-lot for off-Floor transactions (customer and broker/dealer), capped at \$100 per trade. The Exchange believes reduced transaction fees are necessary for the Exchange to maintain or improve its competitive position compared to other markets trading ETFs, and that reduced costs would benefit Exchange members and the investing public. The Exchange stated that it intends the reduction in these ETF transaction fees to take effect on April 27, 2005.

2. Statutory Basis

The Exchange believes that the proposed rule change, as amended, is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁹ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among its members and issuers and other persons using its facilities.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change, as amended, will impose any burden on competition that is not necessary or appropriate in furtherance of the purpose of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change, as amended, has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act,¹⁰ and paragraph (f)(2) of Rule 19b-4 thereunder,¹¹ because it establishes or changes a due, fee, or other charge imposed by the Exchange. At any time within 60 days of the filing of the proposed rule change, as amended, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
