

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****Aviation Rulemaking Advisory Committee Meeting on Transport Airplane and Engine Issues**

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of public meeting.

SUMMARY: This notice announces a public meeting of the FAA's Aviation Rulemaking Advisory Committee (ARAC) to discuss transport airplane and engine (TAE) issues.

DATES: The meeting is scheduled for Wednesday, June 15, 2005, starting at 8:30 a.m. Arrange for oral presentations by June 13, 2005.

ADDRESSES: The Boeing Company, 1200 Wilson Boulevard, Room 234, Arlington, VA.

FOR FURTHER INFORMATION CONTACT: John Linsenmeyer, Office of Rulemaking, ARM-207, FAA, 800 Independence Avenue, SW., Washington, DC 20591, Telephone (202) 267-5174, FAX (202) 267-5075, or e-mail at john.linsenmeyer@faa.gov.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463; 5 U.S.C. app. III), notice is given of an ARAC meeting to be held June 15, 2005 at The Boeing Company in Arlington, Virginia.

The agenda will include:

- Opening Remarks
- FAA Report
- European Aviation Safety Agency Report
- Ice Protection Harmonization Working Group (HWG) Report
- Airworthiness Assurance HWG Report
- Avionics HWG Report
- § 25.1309 Summary of Recent Activity on Specific Risk
- Review of Action Items

Attendance is open to the public, but will be limited to the availability of meeting room space. Please confirm your attendance with the person listed in the **FOR FURTHER INFORMATION CONTACT** section no later than June 13, 2005. Please provide the following information: Full legal name, country of citizenship, and name of your industry association, or applicable affiliation. If you are attending as a public citizen, please indicate so.

For persons participating domestically by telephone, the call-in number is (425) 717-7000; the Passcode is "23439#." Details are also available on the ARAC calendar at <http://>

www.faa.gov/avr/arm/arac/calendarxml.cfm. To insure that sufficient telephone lines are available, please notify the person listed in the **FOR FURTHER INFORMATION CONTACT** section of your intent by June 13. Anyone participating by telephone will be responsible for paying long-distance charges.

The public must make arrangements by June 13 to present oral statements at the meeting. Written statements may be presented to the committee at any time by providing 25 copies to the person listed in the **FOR FURTHER INFORMATION CONTACT** section or by providing copies at the meeting. Copies of the document to be presented to ARAC for decision by the FAA may be made available by contacting the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

If you are in need of assistance or require a reasonable accommodation for the meeting or meeting documents, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Sign and oral interpretation, as well as a listening device, can be made available if requested 10 calendar days before the meeting.

Issued in Washington, DC on May 18, 2005.

Tony F. Fazio,

Director, Office of Rulemaking.

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****RTCA Special Committee 147: Minimum Operational Performance Standards for Traffic Alert and Collision Avoidance Systems Airborne Equipment**

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of RTCA Special Committee 147 meeting.

SUMMARY: The FAA is issuing this notice to advise the public of a meeting of RTCA Special Committee 147: Minimum Operational Performance Standards for Traffic Alert and Collision Avoidance Systems Airborne Equipment.

DATES: The meeting will be held June 21-23, 2005 starting at 9 a.m.

ADDRESSES: The meeting will be held at RTCA, Inc., 1140 Connecticut Avenue, NW., Suite 1120, Washington, DC 20036.

FOR FURTHER INFORMATION CONTACT: RTCA Secretariat, 1140 Connecticut

Avenue, NW., Washington, DC, 20036; telephone (202) 833-9339; fax (202) 833-9434; Web site <http://www.rtca.org>.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C. Appendix 2), notice is hereby given for a Special Committee 147 meeting. The agenda will include:

- June 21-22:
 - Operations, Requirements and Surveillance Working Group Meetings.
- June 23:
 - Opening Session (Welcome and Introductory Remarks, Review/Approve Summary of Previous Meeting, Review of Open Action Items).
 - SC-147 Activity Reports (Operations Working Group, Requirements Working Group, Surveillance Working Group).
 - RWGSA01/CP112E Evaluation Criteria and Decision Metrics Paper.
 - Closing Session (Future Actions/Activities, Date and Place of Next Meeting, Adjourn).

Attendance is open to the interested public but limited to space availability. With the approval of the chairmen, members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on May 17, 2005.

Natalie Ogletree,

FAA General Engineer, RTCA Advisory Committee.

BILLING CODE 4910-13-M

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****RTCA Special Committee 204: 406 MHz Emergency Locator Transmitters**

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of RTCA Special Committee 204 meeting.

SUMMARY: The FAA is issuing this notice to advise the public of a meeting of RTCA Special Committee 204: 406 MHz Emergency Locator Transmitters

DATES: The meeting will be held on June 9-10, 2005, from 9 a.m. to 5 p.m.

ADDRESSES: The meeting will be held at RTCA, Inc., 1828 L Street, NW., Suite 805, Washington, DC 20036-5133.

FOR FURTHER INFORMATION CONTACT: RTCA Secretariat, 1828 L Street, NW.,

Suite 805, Washington, DC 20036-5133; telephone (202) 833-9339; fax (202) 833-9434; Web site <http://www.rtca.org>.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463, 5 U.S.C., Appendix 2), notice is hereby given for a Special Committee 202 meeting. *RTCA is establishing Special Committee (SC) 204 at the request of the Federal Aviation Administration and the U.S. Coast Guard National Search & Rescue Committee. The SC-204 task is to revise DO-204—Minimum Operational Performance Standards for 406 MHz Emergency Locator Transmitters (ELTs) issued in September 1989. This committee will address design performance, installation and operational issues for 406 MHz emergency beacons.* The agenda will include:

- Opening Session (Welcome, Introductory and Administrative Remarks, Review Federal Advisory Committee Act and RTCA procedures, Review Agenda, Review Terms of Reference).
- June 9-10:
- Previous 406 MHz ELT Committee History.
- Current Committee Scope, Terms of Reference Overview.
- Presentation, Discussion, Recommendations.
- Organization of Work, Assign Tasks and Workgroups.
- Presentation, Discussion, Recommendations.
- Assignment of Responsibilities.
- Closing Session (Other Business, Date and Place of Next Meeting, Closing Remarks, Adjourn).

Attendance is open to the interested public but limited to space availability. With the approval of the chairmen, members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on May 10, 2005.

Natalie Ogletree,

FAA General Engineer, RTCA Advisory Committee.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[Docket No. NHTSA-2005-21263]

Notice of Receipt of Petition for Decision That Nonconforming 1991 Mercedes Benz 560 SEL Passenger Cars Are Eligible for Importation

AGENCY: National Highway Traffic Safety Administration, DOT.

ACTION: Notice of receipt of petition for decision that nonconforming passenger cars are eligible for importation.

SUMMARY: This document announces receipt by the National Highway Traffic Safety Administration (NHTSA) of a petition for a decision that 1991 Mercedes Benz 560 SEL passenger cars that were not originally manufactured to comply with all applicable Federal motor vehicle safety standards are eligible for importation into the United States because (1) they are substantially similar to vehicles that were originally manufactured for importation into and sale in the United States and that were certified by their manufacturer as complying with the safety standards, and (2) they are capable of being readily altered to conform to the standards.

DATES: The closing date for comments on the petition is June 24, 2004.

ADDRESSES: Comments should refer to the docket number and notice number, and be submitted to: Docket Management, Room PL-401, 400 Seventh St., SW., Washington, DC 20590. (Docket hours are from 9 a.m. to 5 p.m.). Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, *etc.*). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (Volume 65, Number 70; Pages 19477-78) or you may visit <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: Coleman Sachs, Office of Vehicle Safety Compliance, NHTSA (202-366-3151).

SUPPLEMENTARY INFORMATION:

Background

Under 49 U.S.C. 30141(a)(1)(A), a motor vehicle that was not originally manufactured to conform to all applicable Federal motor vehicle safety standards shall be refused admission into the United States unless NHTSA has decided that the motor vehicle is substantially similar to a motor vehicle

originally manufactured for importation into and sale in the United States, certified under 49 U.S.C. 30115, and of the same model year as the model of the motor vehicle to be compared, and is capable of being readily altered to conform to all applicable Federal motor vehicle safety standards.

Petitions for eligibility decisions may be submitted by either manufacturers or importers who have registered with NHTSA pursuant to 49 CFR part 592. As specified in 49 CFR 593.7, NHTSA publishes notice in the **Federal Register** of each petition that it receives, and affords interested persons an opportunity to comment on the petition. At the close of the comment period, NHTSA decides, on the basis of the petition and any comments that it has received, whether the vehicle is eligible for importation. The agency then publishes this decision in the **Federal Register**.

American Auto Dream of Costa Mesa, California ("AAD") (Registered Importer 02-224) has petitioned NHTSA to decide whether nonconforming 1991 Mercedes Benz 560 SEL passenger cars are eligible for importation into the United States. The vehicles which AAD believes are substantially similar are 1991 Mercedes Benz 560 SEL passenger cars that were manufactured for importation into, and sale in, the United States and certified by their manufacturer as conforming to all applicable Federal motor vehicle safety standards.

The petitioner claims that it carefully compared non-U.S. certified 1991 Mercedes Benz 560 SEL passenger cars to their U.S.-certified counterparts, and found the vehicles to be substantially similar with respect to compliance with most Federal motor vehicle safety standards.

AAD submitted information with its petition intended to demonstrate that non-U.S. certified 1991 Mercedes Benz 560 SEL passenger cars, as originally manufactured, conform to many Federal motor vehicle safety standards in the same manner as their U.S. certified counterparts, or are capable of being readily altered to conform to those standards.

Specifically, the petitioner claims that non-U.S. certified 1991 Mercedes Benz 560 SEL passenger cars are identical to their U.S. certified counterparts with respect to compliance with Standard Nos. 102 *Transmission Shift Lever Sequence, Starter Interlock, and Transmission Braking Effect*, 103 *Windshield Defrosting and Defogging Systems*, 104 *Windshield Wiping and Washing Systems*, 105 *Hydraulic Brake Systems*, 106 *Brake Hoses*, 107
