SUPPLEMENTARY INFORMATION:

Authority: Section 213(b)(2)(A)(v)(II) of the Caribbean Basin Economic Recovery Act, as added by Section 211(a) of the CBTPA; Section 6 of Executive Order No. 13191 of January 17, 2001; Presidential Proclamation 7351 of October 2, 2000; Section 204

(b)(3)(B)(ii) of the ATPDEA; Presidential Proclamation 7616 of October 31, 2002, Executive Order 13277 of November 19, 2002, and the United States Trade Representative's Notice of Further Assignment of Functions of November 25, 2002.

BACKGROUND:

The CBTPA and the ATPDEA provide for duty-free treatment for qualifying textile and apparel products. Such treatment is generally limited to products manufactured from yarns and fabrics formed in the United States or a beneficiary country. The CBTPA and the ATPDEA also provide for duty-free treatment for apparel articles that are both cut (or knit-to-shape) and sewn or otherwise assembled in one or more beneficiary countries from fabric or yarn that is not formed in the United States, if it has been determined that such fabric or yarn cannot be supplied by the domestic industry in commercial quantities in a timely manner. In Executive Order No. 13191 (66 FR 7271) and pursuant to Executive Order No. 13277 (67 FR 70305) and the United States Trade Representative's Notice of Redefinition of Authority and Further Assignment of Functions (67 FR 71606), the President delegated to CITA the authority to determine whether yarns or fabrics cannot be supplied by the domestic industry in commercial quantities in a timely manner under the CBTPA or the ATPDEA. On March 6, 2001, CITA published procedures that it will follow in considering requests (66 FR 13502).

On May 23, 2005, the Chairman of CITA received a petition from AM&S Trade Service, L.L.P., on behalf of their client, Galey and Lord, Inc., alleging that certain compacted, plied, ring spun cotton yarns, with yarn counts in the range from 42 to 102 metric, classified in HTSUS subheadings 5205.42.0020, 5205.43.0020, 5205.44.0020, 5205.46.0020, 5205.47.0020, cannot be supplied by the domestic industry in commercial quantities in a timely manner. It requests duty-free treatment under the CBTPA and the ATPDEA for men's and boys' woven cotton trousers and shirts and women's and girls' woven cotton trousers, shirts and blouses that are both cut (or knit-to-shape) and sewn in one or more CBTPA or ATPDEA beneficiary countries from U.S.-formed fabrics containing such yarns.

CITA is soliciting public comments regarding this request, particularly with respect to whether this yarn can be supplied by the domestic industry in commercial quantities in a timely manner. Also relevant is whether other
