## OFFICE OF GOVERNMENT ETHICS

### Submission for OMB Review; Comment Request for Unmodified Qualified Trust Model Certificates and Model Trust Documents

**AGENCY:** Office of Government Ethics (OGE).

**ACTION:** Notice.

**SUMMARY:** The Office of Government Ethics has submitted the executive branch qualified trust model certificates and model trust documents to the Office of Management and Budget (OMB) for review and two-year extension of approval under the Paperwork Reduction Act. A total of twelve OGE model certificates and model documents for qualified trusts are involved. OGE is proposing no changes to these forms.

**DATES:** Comments by the public and agencies on this information collection, as proposed with no modifications, should be received by July 1, 2005.

**ADDRESSES:** Comments should be sent to Brenda Aguilar, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; Telephone: 202-395-6929; FAX: 202-395-6974; E-mail: [brenda\\_aguilar@omb.eop.gov](mailto:brenda_aguilar@omb.eop.gov).

**FOR FURTHER INFORMATION CONTACT:** Mary T. Donovan at the U.S. Office of Government Ethics; Telephone: 202-482-9232; TDD: 202-482-9293; FAX: 202-482-9237; E-mail: [mtdonova@oge.gov](mailto:mtdonova@oge.gov). Copies of the executive branch qualified trust model certificates and documents may be obtained, without charge, by contacting Ms. Donovan.

**SUPPLEMENTARY INFORMATION:** The Office of Government Ethics has submitted unmodified versions of all twelve qualified trust certificates and model documents for a two-year extension of approval by OMB under the Paperwork Reduction Act (44 U.S.C. chapter 35). The twelve documents, all included under OMB paperwork control number 3209-0007, are scheduled to expire at the end of June 2005.

On January 7, 2005, OGE issued its first round **Federal Register** notice to announce its forthcoming request to OMB for paperwork renewal of the unmodified qualified trust model

certificates and model trust documents. See 70 FR 1444-1446, with comments due by March 23, 2005. (OGE did not receive any comments or requests for copies of the unmodified qualified trust model certificates and model trust documents.) In that notice, and this one, OGE has proposed no changes to the qualified trust model documents at this time. In late 2006, OGE anticipates modifying some or all of these information collections by re-writing them in plain English to make them easier to understand.

In 2003, OGE updated the OGE/GOVT-1 system of records notice (covering SF 278 Public Financial Disclosure Reports and other name-retrieved ethics program records), including the addition of the three new routine uses. As a result, the Privacy Act Statement on each of the trust documents, which include paraphrases of the routine uses, is affected. OGE has not incorporated this revision into the trust documents at this time, since a more thorough revision of the trust documents is planned in the next year or two. However, upon distribution of the trust documents, OGE will inform users of the revision to the Privacy Act Statement. OGE has included a summary of the changes relevant to the trust documents in its paperwork clearance submission to OMB.

OGE is the supervising ethics office for the executive branch of the Federal Government under the Ethics in Government Act of 1978 (Ethics Act). Presidential nominees to executive branch positions subject to Senate confirmation and any other executive branch officials may seek OGE approval for Ethics Act qualified blind or diversified trusts to be used to avoid conflicts of interest.

OGE is the sponsoring agency for the model certificates and model trust documents for qualified blind and diversified trusts of executive branch officials set up under section 102(f) of the Ethics Act, 5 U.S.C. app. § 102(f), and OGE's implementing financial disclosure regulations at subpart D of 5 CFR part 2634. The various model certificates and model trust documents are utilized by OGE and settlors, trustees and other fiduciaries in establishing and administering these qualified trusts.

There are two categories of information collection requirements which OGE plans to submit, each with its own related reporting model certificates or model trust documents which are subject to paperwork review and approval by OMB. The OGE regulatory citations for these two categories, together with identification

of the forms used for their implementation, are as follows:

i. Qualified trust certifications—5 CFR 2634.401(d)(2), 2634.403(b)(11), 2634.404(c)(11), 2634.406(a)(3) & (b), 2634.408, 2634.409 and appendixes A & B to part 2634 (the two implementing forms, the Certificate of Independence and Certificate of Compliance, are codified respectively in the cited appendixes; see also the Privacy Act and Paperwork Reduction Act notices thereto in appendix C); and

ii. Qualified trust communications and model provisions and agreements—5 CFR 2634.401(c)(1)(i) & (d)(2), 2634.403(b), 2634.404(c), 2634.408 and 2634.409 (the ten implementing forms are the: (A) Blind Trust Communications (Expedited Procedure for Securing Approval of Proposed Communications); (B) Model Qualified Blind Trust Provisions; (C) Model Qualified Diversified Trust Provisions; (D) Model Qualified Blind Trust Provisions (For Use in the Case of Multiple Fiduciaries); (E) Model Qualified Blind Trust Provisions (For Use in the Case of an Irrevocable Pre-Existing Trust); (F) Model Qualified Diversified Trust Provisions (Hybrid Version); (G) Model Qualified Diversified Trust Provisions (For Use in the Case of Multiple Fiduciaries); (H) Model Qualified Diversified Trust Provisions (For Use in the Case of an Irrevocable Pre-Existing Trust); (I) Model Confidentiality Agreement Provisions (For Use in the Case of a Privately Owned Business); and (J) Model Confidentiality Agreement Provisions (For Use in the Case of Investment Management Activities)).

The communications formats and the confidentiality agreements (items ii (A), (I) and (J) above) would not be available to the public because they contain sensitive, confidential information. All the other completed model trust certificates and model trust documents (except for any trust provisions that relate to the testamentary disposition of trust assets) are publicly available based upon a proper Ethics Act request (via an OGE Form 201).

The hour burden listed below is based on the amount of time imposed on a trust administrator or private representative. The detailed paperwork estimates below for the various trust certificates and model documents (an estimated total of 46 per year, down 248 from the prior three-year period) are based primarily on OGE's experience with administration of the qualified trust program.
