#### Health Promotion and Non-Communicable Disease and Injury Prevention Initiatives in Latin America and the Caribbean; Notice of Intent To Fund Single Eligibility Award

##### A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the intent to fund fiscal year (FY) 2005 funds for a cooperative agreement program to prevent non-communicable diseases, adverse reproductive outcomes, injuries, birth defects, developmental and physical disabilities and adverse consequences resulting from hereditary conditions in countries in the Latin American and Caribbean region. Through enhanced collaboration between the Pan American Health Organization (PAHO) and CDC, member countries can: (a) Promote a healthy, active lifestyle, disseminate information and provide expertise to prevent and control non-communicable diseases for which physical inactivity is a major risk factor, (including but not limited to obesity, diabetes and cardiovascular disease); (b) enhance, develop, implement, and evaluate community-based programs, including programs addressing cardiovascular health, health care and aging, and conduct behavioural risk factor surveillance and prevention research; (c) improve measurement, monitoring, and assessment of maternal and infant health, strengthen community-based maternal and perinatal health care systems, and improve and use surveillance systems to monitor and evaluate the quality of reproductive services; (d) strengthen their capacity to conduct surveillance, develop interventions and information technology tools, carry out access to care and economic impact studies, and share information related to diabetes prevention and control; (e) strengthen tobacco control through surveillance and evaluation, training, networking, and information exchange relative to policy approaches to implement smoke-free environments; (f) develop

indicators and systems to monitor injuries and violence, conduct training and education, and to implement and evaluate comprehensive prevention strategies. The Catalog of Federal Domestic Assistance number for this program is 93.283.

##### B. Eligible Applicant

Assistance will be provided only to the Pan American Health Organization (PAHO) for this project. PAHO is the oldest international public health agency, with over 100 years of experience in working to improve health and living standards of the countries of the Americas. It serves as the specialized organization for health of the Inter-American System. It also serves as the Regional Office for the Americas of the World Health Organization (WHO) and enjoys international recognition as part of the UN system.

Since its creation in 1902, PAHO has worked to advance policies, plans and programs that improve health and human development. PAHO consists of thirty-eight Member States, and by encouraging collaboration among countries, PAHO aims to ensure that health promotion and non-communicable disease prevention strategies are incorporated both at the national and local level.

##### C. Funding

Approximately \$989,900 is available in FY 2005 to fund this award. It is expected that the award will begin on or before July 29, 2005, and will be made for a 12-month budget period within a project period of up to 5 years. Funding estimates may change.

#### Agency for Toxic Substances and Disease Registry Public Meeting of the Citizens Advisory Committee on Public Health Service Activities and Research at Department of Energy Sites: Oak Ridge Reservation Health Effects Subcommittee

*Name:* Public meeting of the Citizens Advisory Committee on PHS Activities and Research at DOE Sites: Oak Ridge Reservation Health Effects Subcommittee (ORRHES).

*Time and Date:* 12 p.m.-6 p.m., June 28, 2005.

*Place:* DOE Information Center, 475 Oak Ridge Turnpike, Oak Ridge, TN.

*Telephone:* (865) 241-4780.

*Status:* Open to the public, limited only by the space available. The meeting room accommodates approximately 50 people.

*Background:* Under a Memorandum of Understanding (MOU) signed in October 1990 and renewed in September 2000 between ATSDR and DOE. The MOU delineates the responsibilities and procedures for ATSDR's public health activities at DOE sites required under sections 104, 105, 107, and 120 of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA or "Superfund"). These activities include health consultations and public health assessments at DOE sites listed on, or proposed for, the Superfund National Priorities List and at sites that are the subject of petitions from the public; and other health-related activities such as epidemiologic studies, health surveillance, exposure and disease registries, health education, substance-specific applied research, emergency response, and preparation of toxicological profiles.

In addition, under an MOU signed in December 1990 with DOE and replaced by an MOU signed in 2000, the Department of Health and Human Services (HHS) has been given the responsibility and resources for conducting analytic epidemiologic investigations of residents of communities in the vicinity of DOE facilities, workers at DOE facilities, and other persons potentially exposed to radiation or to potential hazards from non-nuclear energy production and use. HHS has delegated program responsibility to CDC. Community involvement is a critical part of ATSDR's and CDC's energy-related

research and activities and input from members of the ORRHES is part of these efforts.

*Purpose:* The purpose of this meeting is to address issues that are unique to community involvement with the ORRHES, and agency updates.

*Matters To Be Discussed:* Agenda items will include a brief discussion on the Toxic Substance Control Act Incinerator public health assessment, presentation from Susan Kaplan on her report, update on ATSDR project management plan and the schedule of Public Health Assessments to be released in FY 2005–2006, and updates and recommendations from the Exposure Evaluation, Community Concerns and Communications, and the Health Outcome Data Workgroups, and agency updates.

Agenda items are subject to change as priorities dictate.

*Contact Persons for More Information:* Marilyn Horton, Designated Federal Official and Health Communication Specialist, Division of Health Assessment and Consultation, ATSDR, 1600 Clifton Road, NE M/S E–32 Atlanta, Georgia 30333, telephone 1–888–42–ATSDR (28737), fax 404/498–1744.

The Director, Management Analysis and Services Office, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both CDC and ATSDR.

Dated: May 26, 2005.

### Administration for Children and Families

#### Office of Refugee Resettlement; Services to Unaccompanied Alien Children

*Announcement Type:* Cooperative Agreement—Initial.

*Funding Opportunity Number:* HHS–2005–ACF–ORR–ZU–0007.

*CFDA Number:* 93.676.

*Due Date for Letters of Intent:* June 17, 2005.

*Due Date for Applications:* July 18, 2005.

*Executive Summary:* One of the functions of the Division of Unaccompanied Children’s Services (DUCS) within ORR is to provide temporary shelter care and other related services to children in ORR custody. Shelter care services will be provided for the period beginning when DUCS accepts the child for placement and custody and ending when the child is released from custody, a final disposition of the child’s immigration case results in removal of the child from the United States or the child turns 18 years of age. Shelter care and other child welfare related services in a State licensed residential shelter care program should be provided in the least restrictive setting appropriate to the UAC’s age and special needs. While the majority of UAC remain in care for an average of 45 days, some will stay for shorter or longer periods of time. ORR is particularly interested in those facilities licensed for long term care as opposed to those facilities licensed as emergency shelters.

This announcement provides the opportunity to fund providers of shelter (basic, group home, staff secure, secure, therapeutic group home, transitional and long-term foster care services) and those providers that conduct suitability assessments and provide recommendations on such assessments. In this announcement, providers are referred to as “Recipients.” The children, although placed in the physical custody of the Recipient, remain entirely in the custody of the Federal Government.

#### I. Funding Opportunity Description

*Legislative Authority:* This program is authorized by section 462 of the Homeland Security Act of 2002, (6 U.S.C. 279) which, in March 2003, transferred responsibility of the Unaccompanied Alien Children’s Program from the Commissioner of the former Immigration and Naturalization Service (INS) to the Director of the Office of Refugee Resettlement (ORR) of the Department of Health and Human Services (HHS).

The Director of ORR is encouraged to use the refugee children foster care system established pursuant to section 412(d) of the Immigration and Nationality Act (8 U.S.C. 1522(d)) for the placement of UAC. All programs must comply with the *Flores Settlement Agreement* and regulations that will be published.
