(M) The parties participating in the DMMP will need to seek additional funding in order to develop the DMMP. Nothing in the designation in this paragraph (b)(4) or elsewhere guarantees that any agency will be able to obtain funding for the DMMP. This designation shall not be interpreted as or constitute a commitment that the United States will obligate or expend funds in contravention of the Anti-Deficiency Act, 31 U.S.C. 1341. Rather, the sole remedy for any failure to meet the conditions specified in this paragraph (b)(4)(vi) shall be the restriction of the authority to dispose of dredged material, as provided in this paragraph (b)(4).

(N) Nothing in the designation in this paragraph (b)(4) or elsewhere precludes the EPA from exercising its statutory authority to designate other ocean disposal sites, not subject to the restrictions in paragraph (b)(4)(vi), or taking any subsequent action to modify the site designation in paragraph (b)(4), provided that the EPA makes any such designation or takes such subsequent action through a separate rulemaking in accordance with all applicable legal requirements. Nothing in this designation shall be interpreted to restrict the EPA's authorities under the MPRSA or the implementing regulations or to amend the implementing regulations.

BILLING CODE 6560-50-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

44 CFR Part 64

[Docket No. FEMA-7879]

Suspension of Community Eligibility

AGENCY: Federal Emergency Management Agency, Emergency Preparedness and Response Directorate, Department of Homeland Security.

ACTION: Final rule.

SUMMARY: This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are scheduled for suspension on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain management measures prior to the effective suspension date given in this rule, the suspension will not occur and a notice of this will be provided by publication in the **Federal Register** on a subsequent date.

DATES: *Effective Dates*: The effective date of each community's scheduled suspension is the third date ("Susp.") listed in the third column of the following tables.

ADDRESSES: If you wish to determine whether a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.

FOR FURTHER INFORMATION CONTACT: Michael M. Grimm, Mitigation Division, 500 C Street, SW.; Room 412, Washington, DC 20472, (202) 646-2878.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the National Flood Insurance Program, 42 U.S.C. 4001 *et seq.*; unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in

this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59 *et seq.* Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, the Federal Emergency Management Agency has identified the special flood hazard areas in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in the identified special flood hazard area of communities not participating in the NFIP and identified for more than a year, on the Federal Emergency Management Agency's initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Administrator finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives a 6-month, 90-day, and 30-day notification letter addressed to the Chief Executive Officer that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications have been made, this final rule may take effect within less than 30 days.

National Environmental Policy Act. This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator has determined that this

rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless they take remedial action.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30,

1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

Executive Order 12612, Federalism. This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp.; p. 252.

Executive Order 12778, Civil Justice Reform. This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp.; p. 309.

GENERAL SERVICES ADMINISTRATION

48 CFR Part 552

[GSAR Amendment 2005-02; GSAR Case
2005-G502 (Change 15)]

RIN 3090-A112

General Services Administration Acquisition Regulation; Veteran and Service-Disabled Veteran-Owned Small Business Goals in Subcontracting Plans

AGENCIES: General Services
Administration (GSA), Office of the
Chief Acquisition Officer.

ACTION: Final rule.

SUMMARY: The General Services
Administration (GSA) is amending the
General Services Administration
Acquisition Regulation (GSAR) in order
to be consistent with the Federal
Acquisition Regulation (FAR), to update
GSAR clauses pertaining to
subcontracting plans to include veteran-
owned and service-disabled veteran-
owned small businesses.

DATES: *Effective Date:* June 3, 2005.

FOR FURTHER INFORMATION CONTACT: The
Regulatory Secretariat (VIR), Room
4035, GS Building, Washington, DC,
20405, (202) 501-4755, for information
pertaining to status or publication
schedules. For clarification of content,
contact Rhonda Cundiff, Procurement
Analyst, at (202) 501-0044. Please cite
Amendment 2005-02, GSAR case 2005-
G502 (Change 15).

SUPPLEMENTARY INFORMATION:

A. Background

The General Services Administration
(GSA) is issuing a final rule to amend
the General Services Administration
Acquisition Regulation (GSAR) in order
to be consistent with changes to the
FAR made by FAR case 2000-302, in
Federal Acquisition Circulars 97-20,
2001-01 and 2001-01 Correction. These
changes implemented the Veterans
Entrepreneurship and Small Business
Development Act of 1999 (PL 106-50)
and the Small Business Reauthorization
Act of 2000 (part of the Consolidated
Appropriations Act, 2001). FAR case
2000-302 added additional
subcontracting plan goal requirements

for veteran-owned and service-disabled
veteran-owned small business concerns.
This GSAR rule amends GSAR 552 to
incorporate these subcontracting plan
categories into subcontracting plans.

This is not a significant regulatory
action and, therefore, was not subject to
review under Section 6(b) of Executive
Order 12866, Regulatory Planning and
Review, dated September 30, 1993. This
rule is not a major rule under 5 U.S.C.
804.

B. Regulatory Flexibility Act

The Regulatory Flexibility Act does
not apply to this rule. This final rule
does not constitute a significant GSAR
revision within the meaning of FAR
1.501 and Public Law 98-577, and
publication for public comments is not
required because the Federal
Acquisition Regulation already covers
the requirement for subcontracting goals
for veteran-owned small businesses and
service-disabled veteran-owned small
businesses.

C. Paperwork Reduction Act

The Paperwork Reduction Act does
not apply because the changes to the
GSAR do not impose recordkeeping or
information collection requirements, or
otherwise collect information from
offerors, contractors, or members of the
public that require approval of the
Office of Management and Budget under
44 U.S.C.3501, *et seq.*

This information is an extension of a
requirement already included in the
FAR. The only difference in the FAR
requirement and the GSAR requirement
in 519.705-2 is that for all negotiated
solicitations having an anticipated
award value over \$500,000 (\$1,000,000
for construction), submission of a
subcontracting plan by other than small
business concerns is required when a
negotiated acquisition meets four
conditions: (1) when the contracting
officer anticipates receiving individual
contract plans (not commercial plans);
(2) when the award is based on trade-
offs among cost or price and technical
and/or management factors under FAR
15.101-1; (3) the acquisition is not a
commercial item acquisition; and (4) the
acquisition offers more than minimal
subcontracting opportunities.
