**DEPARTMENT OF THE INTERIOR**

**Bureau of Land Management**

[CO200-1430-ES, ET; COC-63837]

**Notice of Realty Actions**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice of realty actions.

**SUMMARY:** The Bureau of Land Management (BLM) has examined and found suitable for classification for lease and conveyance under the provisions of the Recreation and Public Purposes Act approximately 102.91 acres of public land located Boulder County. The realty would be developed and used for hiking and other recreational pursuits.

**DATES:** Comments as to the proposed classification and the lease and conveyance application must be received by BLM on or before July 22, 2005.

**ADDRESSES:** Comments should be sent to the Field Manager, Royal Gorge Field Office, Bureau of Land Management, 3170 East Main Street, Cañon City, Colorado 81212.

**FOR FURTHER INFORMATION, CONTACT:** Debbie Bellew, Land Law Examiner, BLM Royal Gorge Field Office, (719) 269-8514.

**SUPPLEMENTARY INFORMATION:** The Board of County Commissioners for Boulder, County, Colorado, has filed a petition-application under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*), for classification, and for a lease and subsequent conveyance of the following described public land:

T. 1 N., R. 73 W., Sixth Principal Meridian, Colorado, Section 12, lots 33, 43, 47, 48, 50, 59, and 65, containing approximately 102.91 acres.

The BLM has examined the above-described land in Boulder County and finds it is suitable for classification lease and subsequent conveyance to the County under the provisions of the Recreation and Public Purposes Act, as amended (43 U.S.C. 869 *et seq.*). The land would be used for hiking and other recreational purposes and would include a parking area, trailhead, interpretive signs, and trails. The above-

described public land is not needed for any federal purpose and has been identified for disposal in the Northeast Colorado Resource Management Plan (September 1986). Leasing and subsequent disposal of the land to Boulder County for recreational purposes is consistent with current BLM land use planning and would complement the County's public outdoor recreation program. The lease would be issued for an initial term of five years to allow Boulder County sufficient time to develop the parking area, trailhead and interpretive signs. The BLM would subsequently convey the land to Boulder County after recreational development activities have been completed.

The lease and subsequent patent, if issued, would be subject to the following terms, conditions, and reservations:

1. Provisions of the Recreation and Public Purposes Act and all applicable regulations of the Secretary of the Interior.

2. A reservation to the United States of a right-of-way for ditches and canals constructed by the authority of the United States under the Act of August 30, 1890 (43 U.S.C. 945).

3. A reservation to the United States of all minerals, together with the right to prospect for, mine, and remove the minerals under applicable laws and regulations established by the Secretary of the Interior.

4. All valid existing rights.

5. Terms, covenants and conditions identified through the applicable environmental analysis or that the authorized officer determines appropriate to ensure public access and the proper use and management of the realty.

You may obtain additional detailed information concerning this Notice of Realty Action from the Royal Gorge Field Office of the BLM, 3170 East Main Street, Cañon City, Colorado 81212.

On June 7, 2005, the above-described public land is segregated from all forms of appropriation under the public land laws, including the mining and mineral leasing laws, except for leasing or conveyance under the Recreation and Public Purposes Act.

**Classification Comments**

You may submit comments regarding the proposed classification of the above-described public land as suitable for use by Boulder County as a recreation area, to include a parking area, trailhead, interpretive signs, and trail management to the Royal Gorge Field Manager, Bureau of Land Management, 3170 East Main Street, Cañon City, Colorado

81212, on or before July 22, 2005. Comments on the proposed classification are restricted to the following four criteria, which are outlined in the regulations at 43 CFR 2410.1:

1. Whether the land is physically suited for the purpose for which it is classified;

2. Whether the proposed use will maximize the future use or uses of the land and minimize disturbance to or dislocation of existing users;

3. Whether the proposed use is consistent with local planning and zoning requirements; and

4. Whether the proposed use is consistent with state and federal programs.

The BLM Colorado State Director will review any adverse comments received on the proposed classification. In the absence of any adverse comments, the classification will become effective on August 8, 2005.

**Application Comments**

You may also submit comments regarding the specific uses and facilities proposed in Boulder County's Recreation and Public Purposes Act application and plan of development, or any other factor not directly related to the suitability of the land for recreational use and development. Your comments on Boulder County's application should be sent to the Royal Gorge Field Manager, Bureau of Land Management, 3170 East Main Street, Cañon City, Colorado 81212, on or before July 22, 2005.

(Authority: 43 CFR 2741.5(h)(1) and (h)(3)).

**Office of Surface Mining Reclamation and Enforcement**

**Notice of Proposed Information Collection for 1029-0027 and 1029-0036**

**AGENCY:** Office of Surface Mining Reclamation and Enforcement.

**ACTION:** Notice and request for comments.

**SUMMARY:** In compliance with the Paperwork Reduction Act of 1995, the Office of Surface Mining Reclamation and Enforcement (OSM) is announcing its intention to request approval to continue the collections of information under 30 CFR part 740, Surface Coal Mining and Reclamation Operations on Federal Lands; and 30 CFR part 780, Surface Mining Permit Applications—Minimum Requirements for Reclamation and Operation Plans. These information collection activities were previously approved by the Office of Management and Budget (OMB), and assigned clearance numbers 1029-0027 and -0036, respectively.

**DATES:** Comments on the proposed information collection must be received by August 8, 2005 **Federal Register**, to be assured of consideration.

**ADDRESSES:** Comments may be mailed to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave, NW., Room 202-SIB, Washington, DC 20240. Comments may also be submitted electronically to [jtreleas@osmre.gov](mailto:jtreleas@osmre.gov).

**FOR FURTHER INFORMATION CONTACT:** To request a copy of the information collection requests, explanatory information and related forms, contact John A. Trelease, at (202) 208-2783.

**SUPPLEMENTARY INFORMATION:** OMB regulations at 5 CFR 1320, which

implementing provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. This notice identifies information collections that OSM will be submitting to OMB for approval. These collections are contained in (1) 30 CFR part 740, General requirements for surface coal mining and reclamation operations on Federal lands (1029-0027); and (2) 30 CFR part 780, State-Federal cooperative agreements (1029-0092). OSM will request a 3-year term of approval for each information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSM's submission of the information collection requests to OMB.

The following information is provided for the information collection: (1) Title of the information collection; (2) OMB control number; (3) summary of the information collection activity; and (4) frequency of collection, description of the respondents, estimated total annual responses, and the total annual reporting and recordkeeping burden for the collection of information.

**Title:** 30 CFR part 740—General requirements for surface coal mining and reclamation operations on Federal lands.

**OMB Control Number:** 1029-0027.

**Summary:** Section 523 of SMCRA requires that a Federal lands program be established to govern surface coal mining and reclamation operations on Federal lands. The information requested is needed to assist the regulatory authority determine the eligibility of an applicant to conduct surface coal mining operations on Federal lands.
