

supported investigators are encouraged to submit manuscripts electronically to the National Library of Medicine's PubMed Central (PMC). The PMC is the NIH digital repository of full-text, peer-reviewed biomedical, behavioral, and clinical research journals. The policy included the establishment of this working group with representation from a broad range of interested stakeholders. The Working Group will: (1) Review statistical evidence on the impact of the policy, e.g., number of manuscripts submitted, summary data on embargo periods, connections to other NIH information resources, level of use, etc.; (2) provide suggestions for improving the implementation of the manuscript submission system and procedures; (3) assess the extent to which the policy is achieving its stated goals; and (4) suggest any changes to the policy that might further these goals.
